COMMENTS FROM THE PUBLIC

- Mack Balkum thanked City Engineer Terry McGean and Planning and Community Development Director Matt Margotta for assisting his group with FEMA. He said his group plans to dispute the FEMA flood maps.
- Herb Pawlukewicz said he is opposed to employee STEP increases.
- Mary Ruth Odachowski said she is opposed to limiting the hours of the Skatepark. Council Secretary Mary Knight advised that the Council chose to not to change the Skatepark hours last year.
- Joe Moran commended City Manager Recor for hiring a procurement director, and, expressed concern about the Request for Proposal (RFP) process for Tourism's Strategic Plan. City Manager David Recor explained that the responses were read into the record in a recent work session. He said the formal process to reject the bids (seeing that none were acceptable) is scheduled for an upcoming work session.
- Andy Rowland asked that the Street End signs on the beach be refreshed. City Manager David Recor advised that he will follow-up with staff.
- John Adkins spoke about the effect of the new flood maps to Florida residents. Also, he mentioned that people on Social Security do not get pay raises.
- Todd Ferrante commended the Council for enabling the building of the Ocean City Beach Patrol Headquarters.
- Ellie Diegelmann questioned the property acquisitions and the surplus property disposition.
- Brian Demler commended the Council for instituting the "No Profanity Please" signage without imposing on the First Amendment rights of citizens.
- Tony Christ shared his view about the Town's budget.

COMMENTS FROM THE CITY MANAGER

COMMENTS FROM THE MAYOR AND CITY COUNCIL

- Council Member Dennis Dare spoke about the ongoing discussions with the Maryland Municipal League regarding tax differential. Also, he said a comprehensive employee study is necessary to prevent EEO Complaints.
- Council Member Brent Ashley said the Council needs to address the smoke-free beach issue. Also, he advised that the OC Surf Club will back any initiatives to stop people from flicking cigarette butts from their vehicles.
- Council Member Margaret Pillas asked City Manager Recor a citizen request to install street signs visible from the beach. He advised that he will follow-up with staff.
- Council Member Joe Mitrecic advised that Ocean City's municipal taxes remain the lowest in comparison to other Maryland municipalities with the added benefit of trash removal services. Secondly, he said that this year's Saint Patrick's Day parade had a record breaking turnout.

ADJOURN

Council Member Joe Mitrecic moved to adjourn at 8:30 p.m.: seconded by Council Member Pillas. The vote was 6-0 with Council President Lloyd Martin absent.

POLICE COMMISSION MEETING MINUTES
OPEN SESSION
March 10, 2014

PRESENT: Mayor Richard Meehan, Council President Lloyd Martin, Commission Chairperson Doug Cymek, Council Member Dennis Dare, City Manager David Recor, City Solicitor Guy Ayres, Chief Ross Buzzuro, Captain Greg Guiton, Captain Kevin Kirstein, Captain Michael Colbert, Lt. Scott Harner

ABSENT: Director of Emergency Services Joseph Theobald

1. Call to Order at 9:04 a.m.
2. The February 10, 2014 Minutes were unanimously approved as written.
3. Sasha Motsko requested the Police Commission's approval of a traffic regulation requesting 2 parking spaces on Jacqueline Avenue and 2 parking spaces on 14th Street, facing east, directly after the exit to Harbour Island. Traffic Regulation No. 2014-01 was unanimously approved and sent to City Council for ratification.
4. Mr. Randy Davis gave a presentation on nightly carriages rides during summer evenings, Sunday through Thursday from 5:00 p.m. to 10:00 p.m. Mr. Davis' proposal would be to provide approximately 3 carriages, starting at 2nd Street and the Boardwalk, then travel west through stop lights at Philadelphia and Baltimore Avenues and then crossing St. Louis Avenue to Chicago Avenue. The carriages would then proceed to the end of Chicago, make a right onto St. Louis and travel back to 2nd Street. The ride would take approximately 15 minutes.
 - Mr. Davis has spoken to two of the neighbors, Plim Plaza and the Ocean Gallery and they are all for it.
 - Mr. Davis already provides carriage rides in Berlin, MD. He believes this can be done safely in Ocean City.
 - Mr. Davis has looked at 3 alternate routes, and the one he is proposing is the safest because of the traffic lights needed to cross intersections safely.
 - Police Commission members voiced concern over the safety of the animals and residents/visitors in such a highly congested area of town during the summer months.
 - Mayor Meehan supports this request. He was on the boardwalk and experienced first-hand how busy Mr. Davis is with the carriage rides now. We should discuss to see how we can make this work.
 - Mr. Davis will shut it down if it is not working and becomes a safety hazard.
 - Lt. Harner confirmed that Mr. Davis meets the regulations of Traffic Article 22-216.
 - Councilman Dare believes that the carriage rides can be a great asset to the town and if this proves to be the case, a formalized RFP may need to be done in the future.

- Police Commission Chairman Cymek requested the Police Department for statistical data on accidents at the above-mentioned intersections and the Commission will revisit this next month at the April 14, 2014 meeting. The Mayor also suggested that the Police Department work with Mr. Davis and do a trial run.
 - A motion was made by Mayor Meehan and seconded by Councilman Dare, to have the Police Department research the statistical data on accidents at the listed intersections, to have the Police Department do a trial run and to come back to the April 14, 2014 Police Commission meeting with the results.
5. John Donahue of Nite Club Taxi returned to the Police Commission's to ask for their recommendation to increase the per mile rate from \$2.20 per mile to \$3.71 per mile. The current rate has been in existence since 2010.
- The rate per mile is split 50/50 between company and taxi driver.
 - The taxi driver must pay for their own gas out of this rate.
 - Gas prices about the same as in 2010; however, cost of living has risen since 2010.
 - Owners supply vehicles and advertising.
 - Present cost is \$9.80 for the first 3 miles – includes loading charge (\$3.20) + \$2.20 per mile.
 - Mr. Donahue supplied documentation which he believes supports his position that a cost of living increase is justified.
 - Mr. Donahue believes there is a need to educate the public on the taxi situation.

The Police Commission believes that an incremental price increase may be justified. Motion was made by Mayor Meehan and seconded by Councilman Dare to send this subject to the full City Council.

6. Chief Buzzuro gave an update on crime statistics for the Month of February which shows that all Officer Initiated Calls for Service are had a 3.3% increase; Citizen Initiated Calls for Service had a 15.2% decrease with the total Calls of Service having an overall 0.2% decrease over 2013. The top 25 Calls for Service remain consistent with the previous year. Total Part 1 crimes are 21.6% below 2013. There has been an increase in burglaries this year. There are two separate cases, one seems to be vagrants looking for a place to sleep; the other is the targeting of large screen televisions. Through coordinated efforts with CID and patrol officers, we are seeing progress toward solving these incidents.
7. Chief Buzzuro advised the Commission that there were no CEW/Taser incidents during the month of February.

Meeting Adjourned at 10:05 a.m.

The next meeting of the Police Commission will be held on Monday, April 7, 2014 at 9:00 AM at the Public Safety Building, 6501 Coastal Highway, Ocean City, MD 21842

Tourism Commission Meeting Minutes
March 13, 2014

The following individuals were in attendance:

Commission Members – Tourism Commission Chair and Council Secretary Mary Knight, Councilmember Dennis Dare; Chris Trimper, HMRA; and Buck Mann, Chamber of Commerce. Staff members present were City Manager David Recor, Donna Abbott, Tourism Director; Larry Noccolino, Convention Center Director; Susan Petito, Recreation and Parks. Also present were Melanie Pursel, Chamber; and Susan Jones, HMRA. Media representatives present were Zach Hoopes, Ocean City Today; and Joanne Shriner, Maryland Coast Dispatch.

Council Secretary and Tourism Commission Chair Mary Knight called the meeting to order at 3 p.m.

Approval of Minutes

Councilmember Dennis Dare made a motion to approve the minutes from the February 10 meeting, seconded by Chris Trimper. The vote was unanimous.

Report on the Washington Travel & Adventure Show

Donna presented a report on the Tourism Department's recent participation in the Washington DC Travel & Adventure Show. Out of the four shows attended last year, it was determined the most attended and successful was the DC travel show. Ocean City again contracted with Spark Productions to help set up and man the booth at the two-day show. To reduce costs, the booth was reconfigured to a 10 by 10 size verses last year's 10 by 20. This year's show was once again extremely well attended. We distributed hundreds of visitor guides, event sheets and goody bags filled with coupons and rack cards supplied by CVB members. We collected 500 leads through our IPAD data collection and email addresses have been added to our Tourism database to receive our regularly deployed Boardtalk e-blasts.

Tourism Strategic Plan update

Donna presented an update of the tourism strategic plan process. Eight proposals were submitted. After a thorough review of all proposals, which offered a wide range of prices and approaches, it was decided to request a proposal from the town's consultant, Lyle Sumek, who facilitated the townwide strategic plan that was initiated last year. Mr. Sumek has submitted a proposal that will be less than half the cost of the lowest bidder in the RFP process. Mr. Sumek is very knowledgeable about Ocean City and has done work with other destinations. Donna said the HMRA and Chamber along with other business representatives will be tasked with collecting and providing information to develop a tourism profile to determine who our tourists are and where they come from along with other important information. This information is needed to assist us in making decisions on our marketing. Council Secretary Knight said Mr. Sumek's proposal will follow a

similar process as the townwide strategic plan and will involve all members of the Tourism Commission representing the various business organizations as well as key stakeholders in the development of a five-year strategic plan for tourism and one-year action agenda/work program. The plan will also define outcome based tourism goals with performance standards and metrics; establish a tourism framework and decision tool to assist in making decisions and investments including targeting markets and guests; develop a tourism work plan for one year with specific activities and milestones as well as defined responsibilities and timeframes; and institutionalize a tourism strategic planning process with a monitoring and reporting mechanism.

A schedule of meetings and interviews will be put together based upon Mr. Sumek's calendar with a final plan presented in October. There were no objections to this process.

Updates from other Departments & Organizations:

Chamber of Commerce

The Chamber had a booth at the Harrisburg show in February. The Chamber also conducted a powerpoint presentation with AAA New Jersey reps. Melanie has been very busy during the legislative session monitoring matters such as the state's proposed tourism budget and the minimum wage bills. The Chamber sent a letter to the Worcester County Commissioners in support of the expansion of the Showell Park for more athletic fields. Three meetings have been held regarding the EARN grant for employee training and she is working with the county to set up an economic summit in the fall. A seasonal workforce meeting will be held in April. She and Donna participated in a post Labor Day school calendar work group conference call earlier in the afternoon. The group is discussing having an opinion poll conducted to gauge public support for the school calendar changing statewide. The task force will be issuing a final report in June and the poll could help. There is a cost to have Opinion Works conduct the poll and various trade groups and municipalities will be asked if they can contribute to fund the poll.

HMRA

Susan Jones reported her trade show went very well and the convention center staff did an excellent job. This was the 40th anniversary of the show and there were 5,500 attendees. Exhibitors were pleased with the results. HMRA will be partnering with Habitat for Humanity to support construction of a house for a hospitality worker. The Maryland Restaurant Association will hold its annual awards gala April 6 at the Hyatt. Maddie and Billy Carder are being inducted into the hall of fame. Susan is also working on midweek summer splash deals and will give to the Tourism Dept. to promote on the ococean website.

Convention Center

Larry reported a national dance competition was in the facility this coming weekend presented by Epic Brands. This is a relatively small group compared to the company's cheerleader competition, but still expects between 2,500 and 3,000 participants. The Handbell Ringers will also be in the building. Phase 2 construction is proceeding along on schedule. He is in talks with producers at the Kennedy Center to possibly bring five or

six shows to the performing arts facility when it is completed, including opera, ballet and musicals. The Mid-Atlantic Symphony is also discussing five or six dates of performances.

Tourism

Donna reported she was in Baltimore last week for the new television ad shoot. The new spots are now in the editing phase and should be completed next week. The redesign of the website and development of the mobile site are coming along nicely as is the development of our 2014 press kit. She distributed the 2014 event sheet, which is updated periodically throughout the year and distributed to local businesses.

Recreation and Parks

Susan Petito representing Tom Shuster and Frank Miller, reported Springfest plans are moving along. Headline entertainment for Sunfest will be announced April 1 and a big country act will be one of the performers. Staff is working on a rebranding of Art's Alive. This year's awards ceremony for the artists will be held at the Center for the Arts for the first time. An August visit by two tall ships is a possibility, and the coming weekend will have another St. Patrick's Day Soccer Tournament. Golf bookings at Eagle's Landing look good for spring. The department's new Splash publication is now out.

Buck Mann reported the coming weekend's St. Patrick's Day Parade will be bigger than ever with 136 units participating. All agreed the event has grown into a signature spring kick off with hotels and bars experiencing strong sales.

Mary announced that the next meeting will be held on Monday, April 14 at 3 p.m.

Council Member Dare made a motion to adjourn the meeting, seconded by Buck Mann. The meeting adjourned at 4:20 p.m.

Recreation and Parks Commission
March 11, 2014

1. Call to Order: The meeting was called to order at 4:08 P.M. at Northside Park. Present were Joe Mitrecic, Lloyd Martin, Dennis Dare, David Recor, Ward Kovacs, Dave Messick, Susan Petito, Terry McGean and Tom Shuster. Guests included Jack Mumford, Bill Sieg, Zach Hoopes and Joanne Shriner.
2. Approval of Minutes: The minutes of February 11, 2014 were approved as presented.
3. Beach Patrol Headquarters Design Review: Terry McGean and Jack Mumford of Becker Morgan presented the most recent design for the new Beach Patrol Headquarters on Talbot Street. Terry and Jack highlighted the items that have been addressed since the special meeting on December 16. Terry reported that under the new base flood maps, the base flood elevation for this location would be 5.8 feet.

Terry McGean recommended that a Construction Manager be hired for the building using a combination of qualifications and price instead of a strictly low bid contract. The construction manager should be brought on board soon to assist with keeping the project on budget. The Commission supported this approach.

The Commission moved to recommend the Beach Patrol Headquarters design to the Council for approval.

4. Skate Park Update: Susan Petito presented a written update report on the Skate Park. The report includes data thru February 28, 2014. The Commission requested a follow up report at the April meeting. Interested parties will be invited to attend.
5. Eagle's Landing Golf Rates for 2015: Bob Croll presented a recommendation to increase the golf rack rates for Spring and Fall weekends effective 2015. Bob presented background information on rates charged by other area golf courses that showed Eagle's Landing position in reference to the other courses. The Commission recommended the rate increase to the Council for action.
6. Other Business: Tom Shuster reported that there were no new private events pending. Tom also reported that he has forwarded information to Bill Gibbs regarding options for beach toys on the beach.
7. Closed Session: Commission moved to go into Closed Session to discuss personnel matters.

Present for the closed session were Joe Mitrecic, Lloyd Martin, Dennis Dare, David Recor, Tom Shuster and Susan Petito.

The Commission returned to open session.

8. The meeting adjourned at 5:01 P.M.
