**For Immediate Release:**

## **Body Recovered from Canal in North Ocean City**

On July 11, 2007, 21:43 hours, the OCPD was contacted by Delaware authorities to assist with the recovery of a deceased body. The body was initially found floating in a canal near the Maryland/Delaware line in Fenwick Island, Delaware.

Before rescue teams from Delaware and Maryland could respond to remove the body from the water, it had floated south in the canal into Ocean City, Maryland. The body was removed from the water and determined to be a middle aged African American male.

Investigators from the Ocean City Police Department and the Delaware State Police responded to the scene. The body will be taken to the Office of the Chief Medical Examiner of Maryland, in Baltimore for autopsy.

The identity of the male is not being released pending notification of next of kin.

If anyone has any information regarding this incident, please contact the OCPD Criminal Division at 410-723-6604.
