PLAIN CLOTHES OFFICERS ARREST LEADS TO STOLEN CAR AND STOLEN PROPERTY

On Tuesday, July 7, 2009, Ocean City Police Plain Clothes Officers were in the area of 12th Street and Baltimore Avenue when they noticed two suspicious males trying to open door handles of vehicles. As officers approached the men, they witnessed one of the men begin to urinate on the public street behind a parked vehicle. Officers stopped the suspects, who were later identified as John Albert Saffran, 18, and Richard William Delauder, 25, both of Baltimore Maryland.

While writing Saffran a civil citation for public urination, officers began to search the area behind the vehicle at which Saffran was standing. Officers located several items on the ground near the driver's and passenger car doors. The items included several CD Holders and Ipod chargers. After checking the area, officers were able to determine that the items came from a vehicle that was parked close to where Saffran and Delauder had previously been observed.

As officers placed Saffran and Delauder under arrest, Saffran explained to officers that he had "found" a set of keys on the ground. Officers located the vehicle that belonged to the keys and determined that the vehicle had been reported stolen from Ann Arundel County on July 6, 2009.

Officers continued their investigation which has resulted in Saffran and Delauder being charged with Motor Vehicle Theft, multiple counts of Theft, and multiple counts of Rouge and Vagabond.

Saffran was seen by an Ocean City District Court Commissioner and was released after posting a \$25,000 bond. Delauder was also seen by the Ocean City District Court Commissioner and was held on \$25,000 bond. Delauder was transferred to the Worcester County Jail.
