OCBP Question of the Week for The Worcester County Times

The Ocean City Beach Patrol is a division of the Department of Recreation and Parks in Ocean City, MD. The OCBP consists of over 200 men and women dedicated to ocean rescue and maintaining a safe and orderly environment along 10.5 miles of Ocean City's beautiful beaches. The Surf Rescue Technicians (SRTs) guard the beach seven days a week from 10:00 a.m. –5:30 p.m. While on duty they often get questions from beach goers. The following is our "Question of the Week." We hope sharing these questions and answers will help make your stay in Ocean City as safe and enjoyable as possible. Always remember, "Keep Your Feet in the Sand until the Lifeguard's in the Stand." If you would like to submit a question, simply ask a lifeguard at his or her stand or email your question to ocbp@ococean.com.

When do the Lifeguards (Surf Rescue Technicians -S.R.T.s) start guarding the beaches?

The Beach Patrol starts guarding the 10.5 miles of beach the Saturday of Memorial Day and guards through Sunfest weekend, which is usually the third weekend in September. The Beach Patrol is on duty every day from 10:00 a.m. to 5:30 p.m. At 5:25 p.m., you will see the lifeguards signaling everyone out of the ocean. This is our way of letting the beach-goers know we are going off duty. We continue our efforts to educate the public, warning them of the dangers of swimming on unguarded beaches, and we do whatever it takes to make sure people leave the ocean before we make that last turn to the West, leaving our beaches for the night.

Remember our saying "Keep Your Feet in the Sand until the Lifeguards in the Stand." This is a reminder to never go in the ocean when the Beach Patrol is not on duty.
