**Subject:** thank you!

I was with the "Little Lambs" Day Care center on their trip to the beach today at North Division Street, and we had three life guards assigned to our group of about 60 kids. I just wanted to comment on how great they were....they could have easily just stood there and watched the kids, but instead were very involved, playing with them, joking with them, and giving them tips about ocean safety. Not sure of their names, but if you would please extend our thanks.....it definitely made us proud to be residents of this area!!!

Mr. Butch Arbin  
 Captain Ocean City Beach Patrol  
 109 Dorchester Avenue  
 Ocean City, MD 21842

Dear Butch:

I am writing to inform you that the Annual Blessing of the Ocean will take place on Saturday, August 14, 2010. The procession to the beach will follow the 5:15 pm Mass at Holy Savior Church. Following Mass at approximately 6:00 pm, the procession to the beach will take place.

At the beach, there will be several prayers including a prayer for the Beach Patrol. I would like to invite any member of the Beach Patrol to join us, at the beach, on 17th Street. In the past years, the Beach Patrol has been represented and it serves us both good public relations for the Beach Patrol and an opportunity for them to receive recognition for their hard work and dedication.

Again, I hope that the Beach Patrol will be represented at this event. I ask you to extend my personal invitation to the men and women of the Ocean City Beach Patrol

Thank you for your assistance in this matter and for all that the Beach Patrol does to insure the safety of our beaches.

Sincerely in Christ,

Rev. Stankisao Esposito  
 Administrator

## **OCBP Question-of-the-Week for The Worcester County Times**

### **Last Week's Question: What are the rules as far as what you can and cannot do on the beach?**

The Beach Patrol is responsible for maintaining a safe, secure, and enjoyable atmosphere on the beach and in the ocean. The Surf Rescue Technician on the stand carries out this responsibility by informing the public and enforcing applicable rules, laws and local ordinances. Basically the Ocean City Beach Patrol regulates all beach activities.

For your protection and safety, the activities below are either **Prohibited Ø** or **Regulated R** on the beaches of Ocean City.

- Ø Consuming alcoholic beverages
- Ø Allowing dogs on the beach (May 1 – Sept 30)
- Ø Sleeping on beach (10 p.m. – 6 a.m.)
- Ø Using a skim board after 10 a.m and before 5:30 p.m.
- Ø Bringing glass containers onto the beach
- R Starting open fires on the beach
- R Playing loud music

### **These activities are under the discretion of the Beach Patrol BP**

- BP Ball playing and Frisbee throwing
- BP Umbrellas placement beyond established line
- BP Kite flying
- BP Digging holes in the sand
- BP Fishing while the OCBP is on duty
- BP surfing in designated areas only

### **We would like to suggest that you always follow these safety tips**

Parents should monitor all activities of any children they are responsible for to make sure they remain safe at all times and don't become lost  
Apply sunscreen liberally and often

Drink plenty of water

Wear eye protection

Establish and check landmarks

Keep valuables off the beach

Please put trash in its place

No glass containers please

And finally, take seriously the warning of the SRT when storms are in the area. The Ocean City Beach Patrol is in constant communication with the National Weather Service. When instructed by the Beach Patrol personnel, please secure your belongings and leave the beach immediately for your safety and ours!

If you have a question, please ask. If you see an inappropriate or unsafe situation, please bring it to the attention of the SRT. We are here to serve you and we are glad you are here!

### **This Week's Question: I heard a lifeguard telling a friend that the OCBP has already started to test for lifeguards for next summer (2011) on Saturday, August 14. Why are you testing now for next year? What does testing mean and what can I expect if I pass the test?**

Because of the unique demands of the job, the beach patrol does not require or recognize certification or past experience with other agencies. All individuals seeking employment with the Ocean City Beach Patrol must successfully complete all aspects of a 10-phase pre-employment physical skills evaluation. Testing for OCBP is offered in Ocean City and if needed at select off-site locations. (No off site test were conducted last year for the current season.) Once a candidate passes the physical skills test and a personal interview, he/she is appointed to a surf rescue academy to be trained in all aspects of surf rescue and first responder skills. After successfully completing surf rescue academy and passing a mandatory drug test, rookie surf rescue technicians are assigned three weeks of supervised probation where additional training takes place.

After the August 14 test, the next on-site test in Ocean City is September 4. Registration starts at 11 a.m. at Dorchester Street on the Boardwalk. Because we have such a high return rate from one season to the next, it is important that anyone hoping to secure a position for the 2011 season test as soon as possible.

The reason we begin testing now is to take advantage of the great ocean conditions (warmer water) while recruiting those individuals who have spent a summer living and working in Ocean City, but were under a misconception that they did not have the necessary credentials to seek employment as an ocean lifeguard. As these individuals have met surf rescue technicians who are currently working for us over the summer, they come to realize that we provide paid training( \$13.25 per hour and \$14.42 after probation, 2010 pay rates) and certifications in surf rescue academy; all that is required is the physical ability to pass the test and receive an appointment to a surf rescue academy. These potential recruits have already spent one summer in Ocean City and are familiar with the area and have solved the problem of securing seasonal housing. Therefore, when they accept an appointment to a surf rescue academy they are most likely to follow through and actually accept the position the following season (we lose a few recruits each year to personal logistical concerns).

A major reason that we also start testing a year ahead is that we want to have the opportunity to attract and hire the best. With a national lifeguard shortage, we work year round to assure that we have 100 percent of our positions filled each year, while other beach patrols have to close pools and beaches. We encourage anyone interested in becoming a lifeguard to speak to the lifeguard on your beach, go to our website or contact Beach Patrol Headquarters (410-289-7556). For specifics on requirements, test locations, dates and times, please refer to [www.occean.com/ocbp](http://www.occean.com/ocbp). Although pre-registration is not required, it is helpful for planning purposes and will save you time during registration. To pre-register, click on the "register for upcoming tests" link under Site Updates.

# **End-of-Year Information Regarding Last Days**

***The following is a reminder from Lt. Stone:*** You are required to turn in a “*Last Day of Full Time Work*” form two weeks prior to your last day of full time work. The forms have been available since Memorial Day weekend and the crew chiefs were given a disk for their respective crews. The forms were made available at the August 2<sup>nd</sup> Monday meeting.

All employees must complete the following **THREE STEPS!**

1. Turn in a completed “***Notification of Last Day of Full Time Work***” form.\*
2. Provide **official verification** (documentation) from your institution or school supporting your need to return at this time.\*
3. Fulfill your employment agreement.

## **\*REQUIRED OF ALL EMPLOYEES**

Listed below are the requirements concerning “***Notification of Last Day of Full Time Work***” forms. The requirements are noted on the following forms with your initials and/or signature.

### **Invitation Letter**

As a result of this new emphasis on availability you are required to provide “official” documentation of your last day of full-time work, **BEFORE** you will be considered for a position with the patrol for the 2010 season.

### **EMPLOYEE AGREEMENT FORM**

#### **AGREEMENT:**

If appointed, I hereby agree to work from the date of acceptance until 5:30 PM on the last day I have indicated above. I shall file a “**Concluding Date of Full Time Work**” Form including necessary documentation, with the Captain two (2) weeks prior to my last day of work.

My signature indicates that I have read the above Agreement, understand it, and do hereby agree to honor all terms set forth, and realize that failure to do so may result in a less than satisfactory final evaluation and/or immediate termination.

### **POLICIES AND PROCEDURES**

(Effective Date: May 24, 2010)

Initial each statement in the blank next to the number as an indication that you have read and understood that policy and/or procedure

\_\_\_\_ 5. **Last Day of Full Time Work:** You are required to complete an exit form and provide the required documentation two weeks prior to your last day of work. This policy includes those who plan to work through Sunfest Sunday. This date should not vary from the date you indicated when you completed the employment agreement and may affect your eligibility for employment anytime in the future or to receive an employee incentive award if one is available.

### **NOTIFICATION OF LAST DAY OF FULL TIME WORK**

PLEASE PROVIDE THE BEACH PATROL WITH OFFICIAL VERIFICATION FROM YOUR SCHOOL SUPPORTING YOUR NEED TO RETURN AT THIS TIME (i.e., SCHOOL GENERATED SCHEDULE OF CLASSES, LETTER FROM ADMINISTRATION OFFICES, COPY OF YOUR SCHEDULE).

**Policies and Procedures** are covered in each training class, and Lt. Stone covers the **Last Day** forms and **Personal Data** forms in detail prior to First Aid Training. Captain Arbin also refers to this information at the weekly meetings. Don't miss out on being invited back!
