### Registration Information for the OCBP Triathlon

You should have gotten an email with the link to register for the triathlon. If you didn't, send an email to Sgt Postell at [mpostell@oceancitymd.gov](mailto:mpostell@oceancitymd.gov). He will email you the link so you can sign up.

Please register today so we can get an accurate t-shirt count. If you do not have access to the internet please see an area sergeant to arrange signing up at a beach house.

 3, 4, 5, 6—USLA Nationals—(Cape May, NJ)  
 11—Middlesex (12<sup>th</sup> Rain Date)  
 14—OCBP Triathlon

## OCBP Question-of-the-Week for The Worcester County Times

### Last Week's Question: What are the rules as far as what you can and cannot do on the beach?

The Beach Patrol is responsible for maintaining a safe, secure, and enjoyable atmosphere on the beach and in the ocean. The Surf Rescue Technician on the stand carries out this responsibility by informing the public and enforcing applicable rules, laws and local ordinances. Basically the Ocean City Beach Patrol regulates all beach activities.

For your protection and safety, the activities below are either **Prohibited Ø** or **Regulated R** on the beaches of Ocean City.

- Ø Consuming alcoholic beverages
- Ø Allowing dogs on the beach (May 1 – Sept 30)
- Ø Sleeping on beach (10 p.m. – 6 a.m.)
- Ø Using a skim board after 10 a.m and before 5:30 p.m.
- Ø Bringing glass containers onto the beach
- R Starting open fires on the beach
- R Playing loud music

### These activities are under the discretion of the Beach Patrol BP

- BP Ball playing and Frisbee throwing
- BP Umbrellas placement beyond established line
- BP Kite flying
- BP Digging holes in the sand
- BP Fishing while the OCBP is on duty
- BP surfing in designated areas only

### We would like to suggest that you always follow these safety tips

Parents should monitor all activities of any children they are responsible for to make sure they remain safe at all times and don't become lost

Apply sunscreen liberally and often

Drink plenty of water

Wear eye protection

Establish and check landmarks

Keep valuables off the beach

Please put trash in its place

No glass containers please

And finally, take seriously the warning of the SRT when storms are in the area. The Ocean City Beach Patrol is in constant communication with the National Weather Service. When instructed by the Beach Patrol personnel, please secure your belongings and leave the beach immediately for your safety and ours!

If you have a question, please ask. If you see an inappropriate or unsafe situation, please bring it to the attention of the SRT. We are here to serve you and we are glad you are here!

### This Week's Question: Does the beach patrol provide any activities for children vacationing at the beach?

Yes, we have our **Junior Beach Patrol Program**. This program offers children ages 10-17 the opportunity to experience the training and daily routine of real lifeguards or, as we call them, surf rescue technicians (SRTs). The program models itself after the duties and responsibilities of the SRT and focuses on the development of skills associated with the enjoyable and safe use of the beach. It is designed to instruct boys and girls in the skills and techniques of beach safety, water safety, surf rescue and physical fitness. Registration for these programs begins in early March and is ongoing until all slots are filled. Registration questions maybe be directed to the Ocean City Recreation and Parks Department at 410-250-0125. Many SRTs made their start in lifesaving in the junior beach patrol.

This program is offered in two types of sessions. We offer a four-day academy from Tuesday through Friday from 8 until 11:30 a.m. as well as a one-day introduction session, which takes place on Thursdays from 1 to 5 pm. The four-day academy consists of four levels that children can advance through, having new skills introduced at each level. Due to the popularity of the program, we have now added an afternoon four-day session during several weeks from 1 to 4 p.m. Programs are repeated each week for six weeks so there should be a JBP academy that will work during your stay in Ocean City.

In addition to the junior beach patrol program, the beach patrol also provides special activities, programs, speakers and seminars to various groups such as scouts, church groups, camps, schools and civic organizations. They conduct these water safety seminars both in Ocean City and throughout the region. Safety training focuses primarily on drowning prevention and safety around the water. They also provide many helpful tips on how to keep children safe at the beach. These presentations and hands-on activities are critical in allowing the beach patrol to fulfill their three-part mission of education, prevention and intervention. If you have a group interested in a beach safety program or speaker, contact the beach patrol at 410-289-7556 or email [ocbp@ococean.com](mailto:ocbp@ococean.com). We also provide on the beach safety presentation in a reserved section of the beach for your group and will also have surf rescue technicians (lifeguards) in that area while the members of the group are getting oriented to the beach and water. You must contact us 2 weeks before your visit for this service. There is no charge to organizations for these presentations.

To get current information about the beach patrol as well as daily stats and current beach conditions, you can follow the beach patrol on Twitter or "like us" on the Official OCBP Facebook page. We can't wait to be a part of your wonderful experiences in Ocean City, because we are glad you are here, and always remember to "Keep your feet in the sand until the lifeguard's in the stand!"

If you have a question, please ask. If you see an inappropriate or unsafe situation, please bring it to the attention of the SRT. We are here to serve you and we are glad you are here!

Keep your feet in the sand,  
until the lifeguard's in the stand!

The turtle has made it through the night the last two nights, but is in critical condition. We've been treating with lots of fluids and supportive meds, and are continuing to run diagnostics to determine underlying medical conditions. The turtle is currently in a pool of shallow freshwater to aid in removal of the barnacles. We hope to move it to a shallow saltwater pool tomorrow and try to offer some solid food in the coming days.

The turtle is not out of the woods, but is in the best hands possible for medical care and husbandry. We're committed to giving her all we've got as long as she continues to fight. She has a long way to go, but OCBP was instrumental in getting her to where she is today – your staff did a great job responding to the animal and providing triage until OCMARP first responders arrived!

Thanks so much for all your help, and we'll continue to keep you posted on the progress of the turtle

Jennifer Dittmar  
Stranding Coordinator  
National Aquarium

#### **OCBPSRA Round 2 Events**

Tuesday, Aug. 9--1 Mile Swim—Dorchester St.—0800hrs  
Wednesday, Aug. 10--2 Mile Run—Dorchester St.—0830hrs
