## OCBP Question-of-the-Week for The Worcester County Times

### **This Week's Question: Does the Beach Patrol provide any activities for children vacationing at the beach?**

Yes, we have our Junior Beach Patrol Program. This program offers children ages 10-17 the opportunity to experience the training and daily routine of real lifeguards or, as we call them, surf rescue technicians (SRTs). The program models itself after the duties and responsibilities of the SRT and focuses on the development of skills associated with the enjoyable and safe use of the beach. It is designed to instruct boys and girls in the skills and techniques of beach safety, water safety, surf rescue and physical fitness. Although we want to invite all children ages 10-17 to take part in our Junior Beach Patrol Academies, this is not a "learn to swim" program. (Recreation and Parks does offer swimming lessons.) Interested children should be comfortable on the beach and in the ocean and must meet minimum swimming and running requirements. Registration for these programs begins in early March and is ongoing until all slots are filled. Registration questions may be directed to the Ocean City Recreation and Parks Department at 410-250-0125. Once a participant has successfully completed all levels of the program and is at least 15 years old, they may apply and try out for a paid Junior Beach Patrol Assistant Instructor position. Many of our current SRTs made their start in lifesaving in the Junior Beach Patrol.

This program is offered in two types of sessions. We offer a four-day academy from Tuesday through Friday from 8 until 11:30 a.m. as well as a one-day introduction session, which takes place on Thursdays from 1 to 5 p.m. The four-day academy consists of four levels that children can advance through, having new skills introduced at each level. Due to the popularity of the program, we have now added an afternoon four-day session during several weeks from 1 to 4 p.m. Programs are repeated each week for six weeks so there should be a JBP academy that will work during your stay in Ocean City.

In addition to the junior beach patrol program, the beach patrol also provides special activities, programs, speakers and seminars to various groups such as scouts, church groups, camps, schools and civic organizations. They conduct these water safety seminars both in Ocean City and throughout the region. Safety training focuses primarily on drowning prevention and safety around the water. They also provide many helpful tips on how to keep children safe at the beach. These presentations and hands-on activities are critical in allowing the beach patrol to fulfill their three-part mission of education, prevention and intervention. If you have a group interested in a beach safety program or speaker, contact the beach patrol at 410-289-7556 or email [ocbp@ococean.com](mailto:ocbp@ococean.com). We also provide a safety presentation in a reserved section of the beach for your group and will also have SRTs in that area while the members of the group are getting oriented to the beach and water. You must contact us two weeks before your visit for this service. There is no charge to organizations for these presentations.

To get current information about the Beach Patrol as well as daily stats and current beach conditions, you can follow the Beach Patrol on Twitter or "like us" on the Official OCBP Facebook page. We can't wait to be a part of your wonderful experiences in Ocean City, because we are glad you are here, and always remember to "Keep your feet in the sand until the lifeguard's in the stand!"

### **Meet the Lifeguard: Crew Chief Alex Desy**

Crew Chief Alex Desy has been with the OCBP for 11 years. He is in charge of Crew 5, which spans the beaches from 18<sup>th</sup> to 25<sup>th</sup> St. He participates in USLA competitions and is a member of the OCBP floor hockey team. In his free time he likes to surf and bike and train lifeguards. Alex is a native Canadian and teaches physical education for the Commission Scolaire de Sherbrooke in the off-season. Alex's passion for the lifesaving world inspired him to start a company called Surf Rescue ([www.surfrescue.ca](http://www.surfrescue.ca)), which sends Canadian lifeguards for training in the waters of Costa Rica every winter. Alex is also very involved in the Canadian lifesaving society (the equivalent of the USLA), training pool and waterfront lifeguards. The lifeguard's of the Ocean City Beach Patrol are glad to answer any of your beach and water safety questions.

July 16, 2012

Mr. Butch Arbin  
Captain Ocean City Beach Patrol  
109 Dorchester Avenue  
Ocean City, MD 21842

Dear Butch:

I am writing to inform you that the Annual Blessing of the Ocean will take place on Thursday, August 15, 2013. The procession to the beach will follow the 5:00pm Mass at Holy Savior Church. Following Mass at approximately 6:00 pm, the procession to the beach will take place.

At the beach, there will be several prayers including a prayer for the Beach Patrol. I would like to invite any member of the Beach Patrol to join us, at the beach, on 17<sup>th</sup> Street. In the past years, the Beach Patrol has been represented and it serves us both good public relations for the Beach Patrol and an opportunity for them to receive recognition for their hard work and dedication.

Again, I hope that the Beach Patrol will be represented at this event. I ask you to extend my personal invitation to the men and women of the Ocean City Beach Patrol

Thank you for your assistance in this matter and for all that the Beach Patrol does to insure the safety of our beaches.

Sincerely in Christ,

Rev. Stanislao Esposito  
Pastor

Butch,

22 years ago your Mother set me up to meet you and the Beach Patrol. At the time you were the Asst. Chief. My son Jeff Jr. was fighting for his life with cancer. He was twelve years old. You had one of your crew chiefs ride him up and down the beach on a four wheeler and gave our family a tour. My family will never forget how good you were to us at a very tough time. Today Jeff Jr is 34 and has been in remission 20 plus years. We have not been to OC in a long time but we decided to come and celebrate Jeff Jr.'s birthday on the fourth... Did not know if you were in town this week, but if you are we would love to come by and personally Thank You and I would love for you to see Jeff Jr. If you are not here I say again THANK YOU.

That Crew Chief was Lt. Ward Kovacs. Here are pictures of Ward and Jeff then and now.

## OCBP TRIATHLON

Thank you for signing up for the 2013 OCBP Triathlon. Here are the race day instructions. If you have any questions just send an email to [matpostell@gmail.com](mailto:matpostell@gmail.com)

Race check in and body numbering will begin at the Taylor Bank parking lot on 142<sup>nd</sup> Street at 5 pm and end at 6 pm except for Beach Patrol. Beach Patrol personnel will be able to check in and get numbered right up to the start.

**The Swim Course.** The swim will be along the shoreline, and with the current. It will end at 142<sup>nd</sup> Street. There will be a short run over the dune to the transition area at Taylor Bank.

**The Bike Course.** Remember that everyone must stop at all red lights. Failure to do so will result in a disqualification. The bike route will basically be the same for all the participants, just slightly different lengths. The bike will leave the parking lot and head North on Coastal Highway towards Fenwick Island, De. The cruisers will go for a distance of 4.5 miles before they turn around at Assawoman Drive just before Bethany. The mountain bikes will continue on until Layton Drive in Bethany at the 5.25-mile mark. The road bikes will continue another  $\frac{3}{4}$  of a mile until the split at Sea Colony. They will fade to the right on Pennsylvania Ave and continue about 200 yards before they turn left on Market Place Drive. They will take Market Place Drive approximately another 200 yards before turning left back on Coastal Highway/Route 1 to return to Ocean City. The road bike course will be 12.5 miles long.

Upon the return back to 142<sup>nd</sup> Street, the competitors will turn right onto 142<sup>nd</sup> towards the bay. They will bike approximately 75 yards to a U-turn. They will then wait for the light at 142<sup>nd</sup> to return to the transition area. All riders must dismount their bikes before entering the transition area. A reminder: Riders must obey all traffic laws and stop at all red lights. Failure to do so will result in an automatic disqualification.

**The Run Course.** The run is a simple out and back route. The run will exit the transition area and head east towards the beach. The runners will turn left on Wight Street and head North. At 145<sup>th</sup> Street, the runners will veer slightly left and run through the parking lot of a condo unit on their way to 146<sup>th</sup> Street. At 146<sup>th</sup> Street the runners will have to hop a curb as they run into Fenwick Island. The run will continue due north for 0.6 miles on Bunting Ave until the road shifts about 20 yards to the left. The run will continue another 0.7 miles until it dead ends at the turn around where there will be water and Gatorade.
