OCBP License Plates

Listed below are the guidelines for receiving these special logo plates

Your vehicle must be registered in Maryland.

Pick up the MVA form VR-124 from Captain Arbin.

Fill out form completely.

Attach a check made payable to the Ocean City Beach Patrol Surf Rescue Association (OCBPSRA) for \$50.00. This is a one-time fee and will not be charged again.

If you are requesting a specific number, make sure it is still available.

Return form to Beach Patrol Headquarters. Do not send or take to MVA—the form needs an authorizing signature to process.

Once the VR-124 form and check have been received, it takes 4-6 weeks to receive the tags. They will be mailed to the address on your registration.

In the future, you will receive the regular tag renewal application directly from the MVA every 2 years.

OCBP Question-of-the-Week for The Worcester County Times

What are the rules as far as what you can and cannot do on the beach?

The beach patrol is responsible for maintaining a safe, secure and enjoyable atmosphere on the beach and in the ocean. The surf rescue technician on the stand carries out this responsibility by informing the public and enforcing applicable rules, laws and local ordinances. Basically the Ocean City Beach Patrol regulates all beach activities.

For your protection and safety, the activities below are either **Prohibited Ø** or **Regulated R** on the beaches of Ocean City.

- Ø Consuming alcoholic beverages (24 hours a day all year long including the boardwalk and all other public areas of the Town).
- Ø Allowing dogs on the beach (May 1 – Sept 30) (24 hours a day including the boardwalk).
- Ø Sleeping on beach (10 p.m. – 6 a.m.).
- Ø Using a skim board after 10 a.m. and before 5:30 p.m.
- Ø Bringing glass containers onto the beach.
- R Starting open fires on the beach.
- R Playing loud music.

These activities are under the discretion of the beach patrol:

- BP Ball playing and Frisbee throwing (never in front of guard stands).
- BP Umbrella placement beyond established line (never in front of guard stands).
- BP Kite flying.
- BP Digging holes in the sand (never deeper than knee deep).
- BP Fishing while OCBP is on duty.
- BP Surfing in designated areas only.

We would like to suggest that you always follow these safety tips:

- Parents should monitor all activities of children they are responsible for to make sure they remain safe at all times and don't become lost.
- Apply sunscreen liberally and often.
- Drink plenty of water.
- Wear eye protection.
- Establish and check landmarks.
- Keep valuables off the beach.
- Please put trash in its place (Leave only your footprints).
- No glass containers please.
- And finally, take seriously the warning of the SRT when storms are in the area. The Ocean City Beach Patrol is in constant communication with the National Weather Service. When instructed by beach patrol personnel, please secure your belongings and leave the beach immediately for your safety and ours!

If you have a question, please ask. If you see an inappropriate or unsafe situation, please bring it to the attention of the SRT. To get current information about the beach patrol as well as daily stats and current beach conditions, you can follow the beach patrol on Twitter or "like us" on the Official OCBP Facebook page. We can't wait to be a part of your wonderful experiences in Ocean City, because we are glad you are here, and always remember to "Keep your feet in the sand until the lifeguard's in the stand!"

SRT of the Week

Assistant Crew Chief Adam Grant has been with the Beach Patrol for 3 years. He is the Assistant Crew Chief (a leadership training position) to Crew Chief Steve DeKemper in the north area of Ocean City with Crew 12, which covers the beach from 84th Street to 92nd Street. Adam is active member of the United States Lifesaving Association OCBP chapter and a member of the OCBP Scuba Dive Team. In his free time, he likes to train for swimming, read, and listen to music. In the off-season Adam attends the University of North Carolina Wilmington and works as the Program Assistant and Lifeguard for UNCW Aquatics. He also serves as the UNCW Surfrider Group Vice President, UNCW Swim Club member and Phi Sigma Pi Honors Fraternity member. He is studying Business Marketing with a minor in English. ACC Adam Grant and the other lifeguards of the Ocean City Beach Patrol are glad to answer any of your beach and water safety questions.

Assistant Crew Chief Grant is supervising an area of Ocean City beach and patrolling on a mobile rescue vehicle.

Please note the important end of the season information in the boxes below.

Important Notice Regarding Leaving Early

As Captain informed you at the Monday meeting on 8/5/13, anyone who leaves earlier than the date which he/she originally provided will be considered as quitting without notice and will be required to return ALL OCBP issued uniform and equipment items, including bathing suits, hats, whistles, and ID cards. Any items not returned will be deducted from your final paycheck, and your direct deposit will be cancelled until we have verified that you have satisfied all debts with the OCBP and the Town of O.C.

Please follow through on what you told the Beach Patrol you would do.

Equipment Turn in Procedure for Full Time Changing to Part-Time

If you live more than 30 miles away, you are required to turn in all equipment once you end your full-time position (available 7 days a week). If you are working part-time after this time, you will pick up equipment at H.Q. this when you come back into Ocean City. Please allow yourself enough time to do before you are scheduled for duty.

Employee Evaluations – Not the Entire Picture

Although having satisfactory evaluations is very important, they are only one aspect of each person's summative performance rating. Employee commendations, incidents, responsibility for equipment, amount of time worked, amount of time taken off, fulfilling work agreement, and last day worked are all considered by the review panel. Only once a full and complete assessment is made will a final recommendation be made to the Captain regarding an employee's status for the next season.

Crew Chief Equipment

All issued equipment must be returned on your last day. Equipment that is given to you does not need to be returned: collared shirt, jacket, bathing suits, whistle, and hats. Once all equipment is accounted for, you will be immediately reissued equipment that is necessary for participation in the winter testing program. If you do not plan on becoming involved in the off-site tests, then you will not need to be issued any additional equipment. As with all employees, a crew chief who leaves without completing his/her commitment will be required to return ALL equipment that was given by the Beach Patrol. The purpose of this policy is to have an accurate inventory and to minimize the loss of equipment should a Crew Chief decide not to return in subsequent years. Any and all equipment not returned will be deducted from your final paycheck.

DO NOT FORGET THE BEACH PATROL WHEN YOU MAKE CHANGES

If you make any changes in the contact information that you have on file with us, it is your responsibility to let us know. If this coming season is as we predict, we will not be allowing personnel to return who have missed deadlines. Having mail returned or lost in forwarding may cause you to miss an important deadline.

E-mail – With free accounts and school accounts that are often changed, you need to let us know immediately. We use e-mail to keep everyone informed of events and activities as well as confirming information and to get out quick updates.

Winter address – This is used to send U.S. mail such as newsletters, invitations to return, and other paperwork.

Permanent address – This address is not used by the Beach Patrol but is used by the Town of Ocean City to send tax information (W-2).

**Keep your feet in the sand,
until the lifeguard's in the stand!**

PLEASE KEEP THE FOLLOWING INFORMATION ABOUT BEACH WHEELCHAIRS WITH YOUR BEACH SUPPLIES. BEING ABLE TO INFORM THE BEACH PATRONS OF THE SPECIFIC GUIDELINES WILL HELP CLEAR UP ANY GREY AREAS AND AVOID FUTURE ISSUES.

Please make sure that whoever opens the box lets the people know that there are restrictions about where it can be taken and used. Regarding the transport of the beach wheelchair, the beach patrons must be informed that the beach wheelchair may NOT BE MOVED...

- ...more than ONE block north or south of the wheelchair box
- ...off the beach; this will damage the chair and no one will have use of it
- ...down to the wet sand or water; this can cause additional problems with the wheels and bearings as well as a flip-over hazard.

The person taking responsibility for the beach wheelchair must complete a permit/waiver form and should be prepared to show a driver's license to the city representative on site and return the Wheelchair prior to 5:00 PM or upon request. The chair may **ONLY** be used east of the Boardwalk or dune on the beach and only within 1 block of the wheelchair box. It may not be taken into the water for ANY reason, nor may it be removed from the beach.

Please be aware that the Beach Patrol staff reserves the right to require the return of the beach wheelchair for ANY reason and at any time.

Should any safety issue arise (strong inclement weather, lightning, etc.), the chair must be returned **immediately** to its box.

If you are able to transfer to another chair once on the beach and another individual is in need of the chair, the Beach Patrol staff reserves the right to require you to return the chair for redistribution. Please understand that we are trying to serve as many people as possible and will work with you to try and ensure a safe return trip off of the beach when you are ready to leave for the day. Good communication with the Beach Patrol staff is appreciated.

Please return the wheelchair to the **lifeguard stand** when you are finished using it. The wheelchair must be returned to the lifeguard stand prior to 5:00 p.m. today.

If the beach patrons are not willing to follow the rules, do not allow them to use the chair.
