If you own a vehicle and wish to park in the lot at 109 Dorchester Street (Tenants of Employee housing) or in any Municipal lot you must display a valid parking permit issued by the Beach Patrol. Specific rules and regulations regarding parking will be given to you when you receive the permit.

Beach Patrol personnel assigned to work at Headquarters may park in either Beach Patrol parking area. These areas are located at the northeast corner of Somerset Street and Philadelphia Avenue and at 109 Dorchester Street (Across the street from "Tarry-A-While" in front of OCBP headquarters).

Tenants of employee housing may only use the parking area that is located at 109 Dorchester Street and is marked for "Official Beach Patrol Parking" between 6:00 PM and 9:00 AM (your vehicle must be removed during the day). This parking area is available on a first come basis and is **NOT** an amenity of the employee housing. This is used for your registered personal vehicle and is not transferable and is not for your visitors. **DO NOT DOUBLE PARK!** Each vehicle must be able to leave the parking area. If this lot is full you **MUST** find another legal parking space for your vehicle.

Municipal parking lots are available during working hours for working employees only.

If you wish to use either of these parking areas you must complete this form and your request will be reviewed and a parking permit may be issued.
