Dear Mr. Arbin,
Thank you to your staff for a wonderful vacation again at Ocmd. This year we didn't have any fights. Lol My family and I enjoyed every minute there. A big thank you to your beach patrol that helped me on and off the beach each day. They went over and beyond to make sure I could enjoy my vacation with my family. Special thanks to Tim, who once again went over and beyond to help me. Not only did he get me off the beach but he also got me on. Thank you Tim for all your help. Devin helped me Sunday, the 17th. I think that was his name. Nick for keeping us safe along with Kristin and Brooke. I thank each and everyone of you for giving me another year to remember with my family. I'm gonna fight again this year to make it back next summer to see you all again.

Sincerely,
Denise H.

OCBP Question-of-the-Week for The Worcester County Times

This Week's Question: What are the rules as far as what you can and cannot do on the beach?

The beach patrol is responsible for maintaining a safe, secure and enjoyable atmosphere on the beach and in the ocean. The surf rescue technician on the stand carries out this responsibility by informing the public and enforcing applicable rules, laws and local ordinances. Basically the Ocean City Beach Patrol regulates all beach activities.

Our newest law in its second year this season is the Town of Ocean City's "Smoking Ordinance". Although it was passed into Law in May 2015, the Beach Patrol has included the request to use designated "Smoking Areas" for two years. The new city ordinance is as follows:

Smoking and vaping is unlawful on Atlantic Avenue except within fifteen feet of a designated smoking area. Atlantic Avenue" means the areas of land designated and distinguished on the numerous plats of the Ocean Blocks of Ocean City, Maryland, which designate Atlantic Avenue, which is comprised of the beach, including the ramps placed thereon, the wooden railings, the boardwalk, including the concrete tram lane, the ramps extending westward and eastward from the boardwalk, decks extending eastward and westward from the boardwalk, the seawall, and tables and benches placed thereon, but excluding the inlet parking lot.

The SRT's will inform the public of this new ordinance and if they notice someone violating the law they will tell the individual, however, SRT's will not leave their stand for the only purpose of enforcing this ordinance and if someone wishes to have the new law enforced they should call 410-723-6600.

For your protection and safety, the activities below are either **Prohibited Ø** or **Regulated R** on the beaches of Ocean City.

- Ø Consuming alcoholic beverages (24 hours a day all year long including the boardwalk and all other public areas of the Town).
- Ø Allowing dogs on the beach (May 1 – Sept 30) (24 hours a day including the boardwalk).
- Ø Sleeping on beach (10 p.m. – 6 a.m.).
- Ø Using a skim board after 10 a.m. and before 5:30 p.m.
- Ø Bringing glass containers onto the beach.
- R Starting open fires on the beach.
- R Playing loud music.
- R Smoking

These activities are under the discretion of the beach patrol:

- BP Ball playing and Frisbee throwing (never in front of guard stands).
- BP Umbrella placement beyond established line (never in front of guard stands).
- BP Kite flying.
- BP Digging holes in the sand (never deeper than knee deep).
- BP Fishing while OCBP is on duty.
- BP Surfing in designated areas only.

We would like to suggest that you always follow these safety tips:

- Parents should monitor all activities of children they are responsible for to make sure they remain safe at all times and don't become lost.
- Apply sunscreen liberally and often.
- Drink plenty of water.
- Wear eye protection.
- Establish and check landmarks.
- Keep valuables off the beach.
- Please put trash in its place (Leave only your footprints).
- No glass containers please.
- And finally, take seriously the warning of the SRT when storms are in the area. The Ocean City Beach Patrol is in constant communication with the National Weather Service. When instructed by beach patrol personnel, please secure your belongings and leave the beach immediately for your safety and ours!

If you have a question, please ask. If you see an inappropriate or unsafe situation, please bring it to the attention of the SRT. To get current information about the beach patrol as well as daily stats and current beach conditions, you can follow the beach patrol on Twitter, Instagram or "like us" on the Official OCBP Facebook page. If interested in exciting, meaningful work as part of the Beach Patrol talk to your Surf Rescue Technician (lifeguard) or visit our website www.ococean.com/ocbp. We can't wait to be a part of your wonderful experiences in Ocean City, because we are glad you are here, and always remember to "Keep your feet in the sand until the lifeguard's in the stand!"
