Purchase Order Terms & Conditions

1. General
 - 1.1. The following terms and conditions, together with such terms as are set forth in the Contract, with such plans, specifications or other documents as are incorporated by reference, as amended in any subsequent authorized writing from Buyer, will constitute the entire contract (the "Purchase Order") between the Town of Ocean City ("Buyer") and Supplier. If bid documents, performance specifications, technical product descriptions or other similar descriptive materials submitted by Supplier in connection with the Purchase Order, or Supplier's proposal, have been incorporated by reference, these will not be deemed to supersede any contrary requirements of Buyer, but to the extent that such materials are not inconsistent with Buyer's requirements, they will constitute a part of the basis of this agreement. If this Purchase Order is construed as an offer, this offer expressly limits acceptance to the terms of this offer and notice of objection to any different or additional terms in any response to this offer is hereby given. If this Purchase Order is construed as an acceptance of an offer, this acceptance is expressly conditioned upon the offeror's assent to any different or additional terms contained or referenced in this Purchase Order. If this Purchase Order is construed as a confirmation of an existing contract, the parties agree that this confirmation states the exclusive terms of any contract between the parties. This Purchase Order will be deemed to have been accepted by the Supplier upon receipt by the Buyer of any writing, including a writing transmitted by fax or other means of electronic transmission, indicating acceptance, or by any of the following: (i) shipment of the goods or any portion thereof, (ii) commencement of any work on site or (iii) performance of any services hereunder.
2. Electronic/Facsimile Transmission
 - 2.1. If this Purchase Order is transmitted by fax or by other means of electronic transmission, such transmission will have the legal significance of a duly executed original delivered to the Supplier.
3. Payment
 - 3.1. If no other terms are specified, the net amount will be payable within 30 days after the later of (i) delivery and acceptance of goods or other performance conforming with the terms of this Purchase Order and (ii) invoicing. Buyer is exempt from sales and use tax in the State of Maryland. Supplier assigns to Buyer all rights to refunds of sales and use taxes paid in connection with this Purchase Order and agree to co-operate with Buyer in the processing of any refund claims. Unless expressly provided in the Purchase Order Buyer will not be liable for any shipping, handling, fuel surcharges or similar fees. **Invoices are to be sent electronically, with the Purchase Order number on them to, AFFINANCE@OCEANCITYMD.GOV.**
4. Time
 - 4.1. If delivery or completion dates cannot be met, Supplier will inform Buyer immediately. Such notice will not, however, constitute a change to the delivery or completion terms of this Purchase Order unless Buyer modifies this Purchase Order in writing. If any item is not received or if any element of the work is not completed by the date specified, the Buyer, at Buyer's option and without prior notice to Supplier, may either approve a revised date or may cancel this Purchase Order and may obtain such goods or work elsewhere and in either event the Supplier will be liable to the Buyer for any resulting loss incurred by the Buyer. Supplier's sole remedy for a delay caused by Buyer will be an extension in the time for Supplier's performance equal to the duration of Buyer's delay. Supplier will not be liable for damages resulting from Supplier's failure to deliver or complete, or for delays in delivery or completion, caused solely by strikes not caused by or within the control of Supplier, lock-outs not caused by or within the control of Supplier, fires, war or acts of God. **TIMING OF DELIVERY AND/OR PERFORMANCE OF THE WORK IS OF THE ESSENCE OF THIS PURCHASE ORDER.**
5. Improper Performance and Disputes
 - 5.1. In addition to other remedies provided by law, Buyer reserves the right to reject any goods or to revoke any previous acceptance and to cancel all or any part of the Purchase Order if Supplier fails to deliver all or any part of the goods or perform any of the work in accordance with the terms and conditions of this Purchase Order. Acceptance of any part of the Purchase Order will not bind the Buyer to accept any future shipments or work, nor deprive it of the right to return goods already accepted. At Buyer's option, if Buyer so elects in its sole discretion with regard to any particular dispute, any dispute arising in connection with this Purchase Order will be resolved by arbitration in Ocean City, MD in accordance with the rules of the American Arbitration Association; and all disputes will otherwise be resolved in and only in the Worcester County, MD as the exclusive judicial forum.
6. Warranty
 - 6.1. Supplier expressly warrants all (i) goods delivered under this Purchase Order to be free from defects in material and workmanship and to be of the quality, size and dimensions ordered and (ii) work performed under this Purchase Order to be in conformity with all plans, specifications and other data incorporated as part of this Purchase Order. These express warranties will not be waived by reason of acceptance or payment by the Buyer. This Purchase Order incorporates by reference all terms of the Uniform Commercial Code as adopted in the State of Maryland (the "UCC") providing any protection to Buyer for goods, including but not limited to all warranty protection (express or implied) and all of Buyer's remedies under the UCC. All goods and work will also be subject to any stricter warranties specified in the Purchase Order or in other materials incorporated by reference.
7. Risk of Loss
 - 7.1. Unless the Purchase Order expressly states otherwise, all goods will be shipped FOB: the "Destination" location designated in the Form. Risk of loss will not pass to Buyer until goods called for in this Purchase Order actually have been received and accepted by the Buyer at the destination specified herein. Supplier assumes full responsibility for packing, crating, marking, transportation and liability for loss and/or damage even if Buyer has agreed to pay freight, express or other transportation charges.
8. Indemnity and Hold Harmless
 - 8.1. Supplier will indemnify, defend and hold Buyer harmless from and against any and all cost (including reasonable attorneys' fees), expense, liability or damage on account of, related to, or resulting from any and all demands, claims or causes of actions asserted against Buyer by any person or persons for injury or damages to persons, including death or property resulting from, arising out of, or related to the negligent, intentional or wrongful acts or omissions, or breaches of this Purchase Order by Supplier or its respective agents, employees or subcontractors in connection with the use of the Goods or the performance of subject matter under this Purchase Order.
9. Assignment/Subcontracting
 - 9.1. Neither party will have any right to assign this Purchase Order or any benefits arising from this Purchase Order without prior written consent of the other and, unless otherwise agreed upon in writing, the rights of any assignee will be subject to all set-offs, counterclaims, and other comparable rights arising hereunder. Supplier will not, except in the case of raw materials, castings, forgings or rough welded structures, or standard commercial goods, or except as otherwise agreed in writing by the Buyer, delegate or subcontract the work on any item of material or service to be delivered or performed under this Purchase Order.

 - 11.1. The Supplier agrees that Buyer, and any Federal agency providing funding for this Purchase Order and the Comptroller General of the United States or any of their duly authorized representatives, will have access to and the right to examine any pertinent books, documents, papers and records of the Supplier involving transactions related to this Purchase Order to the extent necessary to verify the nature and extent of costs incurred under this Purchase Order until the expiration of four (4) years after final payment under this Purchase Order. Nothing in this Purchase Order will be deemed to preclude an audit by the U.S. General Accounting Office of any transaction under this Purchase Order. The preceding two sentences will not apply if this Purchase Order does not involve a sum in excess of One Thousand Dollars (\$1,000), or if this is an agreement for public utility services at rates established for uniform applicability to the general public, or if this is an agreement for general inventory goods not specifically identifiable with work under the Buyer's contract with the government.

 - 12.1. The Supplier agrees to comply with all applicable federal, state, and local laws and regulations.
13. Termination Without Cause
 - 13.1. Buyer, in its sole discretion and without cause, may terminate this Purchase Order, in whole or in part, at any time without incurring liability to Supplier for lost profits, or any other costs or damages, other than the proportionate value of the purchase price for work completed on site or goods delivered. Payment due will be a percentage of the purchase price equal to the percentage of the work completed and/or any unit prices in the purchase price specified for goods delivered.
