

RAIN BARREL APPLICATION 2015

The Town of Ocean City is offering a Rain Barrel at a substantially reduced cost to citizens and businesses in the Town. There will be a limited number barrels; therefore, they will be awarded on a first come basis. Order may be picked up at City Hall 301 Baltimore Ave when they are delivered.

A rain barrel is a water tank positioned at a downspout to collect water and used to water plants or attach to a soaking hose to water a garden. Rain barrels are not meant for drinking. The rain barrel we have chosen will cost only \$20 and is worth \$100. Critical Area mitigation fund is subsidizing this initiative.

This offer is only for two rain barrel per property and per property owners or residents of the Town. It must be placed on property in the corporate limits of Ocean City. Non-residents can purchase a rain barrel for the full price of \$100

If you would like a rain barrel fill out the application and sign the agreement below. Send it back to Town of Ocean City, Engineering Department, with a check or money order for \$20.00. (\$100 for non-residents) Make payment out to the Town of Ocean City. Mail to Town of Ocean City, Atten: Gail Blazer P.O. 158, Ocean City MD 21843. Call the Engineering Department at (410) 289-8825 or gblazer@oceancitymd.gov with questions.

I would like a rain barrel for my property in Ocean City Maryland; I also understand that the rain barrel must be used on property within the Town of Ocean City corporate limits. I have enclosed a check for \$20. I will pick up the rain barrel City Hall.
