

The High School Grand Prix Circuit is set up to provide high school players the opportunity to play solid competition all summer.

To participate you must have played on a high school team on the Eastern Shore in 2016.

Three tournaments leading to a Grand Prix Finals

Your seeding, placement and participation in the Finals will be based on the points accrued from your individual match results in the summer-long event.

All Tournaments are One-Day Events

There will be two brackets for every tournament. Players that played 1-3 on their team will be in the Gold Flight. Players that played 4-6 will be in the silver flight.

3-4 matches each tournament
