### **The Captain Craig Swim**

**July 11, 2020**

**Registration: 17:00hrs Race: 18:00hrs**

**Location: 14<sup>th</sup> St. & the Boardwalk**

Competitors swim a measured mile with the prevailing current to a finish line located at 14<sup>th</sup> Street and the beach. Awards will be presented to age group finishers and a **commemorative t-shirt is included in the \$25.00 pre-registration fee.** You must register online before July 5<sup>th</sup> or pay \$30.00 after that date. Register online on our web page under "Competitions."

**Counts as the OCBPSRA 1 Mile Swim and is required for SRT II (ACC Certification).**

### **OCBP Question-of-the-Week for The Worcester County Times**

**I have noticed the lifeguards enforcing rules on the beach. What are the rules as far as what you can and cannot do on the beach and how much authority does a lifeguard have to enforce those rules?**

The beach patrol is responsible for maintaining a safe, secure and enjoyable atmosphere on the beach and in the ocean. The surf rescue technician on the stand carries out this responsibility by informing the public and enforcing applicable rules, laws and local ordinances. Basically the Ocean City Beach Patrol regulates all beach activities. However, because the Beach Patrol is enforcing laws and ordinances, if we have individuals who refuse to obey the directives of a Beach Patrol employee, we may ask for assistance from the Police, which may result in an arrest and or fines.

Our newest law in its sixth year this season is the Town of Ocean City's "Smoking Ordinance". Although it was passed into Law in May 2015, the Beach Patrol has included the request to use designated "Smoking Areas" for the past seven years. The new city ordinance is as follows:

Smoking and vaping is unlawful on Atlantic Avenue except within fifteen feet of a designated smoking area. Atlantic Avenue" means the areas of land designated and distinguished on the numerous plats of the Ocean Blocks of Ocean City, Maryland, which designate Atlantic Avenue, which is comprised of the beach, including the ramps placed thereon, the wooden railings, the boardwalk, including the concrete tram lane, the ramps extending westward and eastward from the boardwalk, decks extending eastward and westward from the boardwalk, the seawall, and tables and benches placed thereon, but excluding the inlet parking lot.

The SRT's will inform the public of this new ordinance and if they notice someone violating the law they will tell the individual, so please follow the law so the SRT's are not leaving their primary responsibility to ask adults to follow the laws which in most cases they are already aware of.

New to Ocean City this season due to Covid 19 is the request to physical distance and use of a mask in public. These are both strongly encouraged to protect both you and your loved ones.

For your protection and safety, the activities below are either **Prohibited Ø** or **Regulated R** on the beaches of Ocean City.

- Ø Consuming alcoholic beverages (24 hours a day all year long including the boardwalk and all other public areas of the Town).
- Ø Allowing dogs on the beach (May 1 – Sept 30) (24 hours a day including the boardwalk).
- Ø Sleeping on beach (10 p.m. – 6 a.m.).
- Ø Using a skim board after 10 a.m. and before 5:30 p.m.
- Ø Bringing glass containers onto the beach.
- R Starting open fires on the beach. (Never allowed during the day and bonfires at night with a permit)
- R Playing loud music.
- R Smoking

#### **These activities are under the discretion of the beach patrol:**

- BP Ball playing and Frisbee throwing (never in front of guard stands).
- BP Umbrella placement beyond established line (never in front of guard stands).
- BP Kite flying.
- BP Digging holes in the sand (never deeper than knee deep).
- BP Fishing while OCBP is on duty.
- BP Surfing in designated areas only.

Our guards are prepared and eager to fulfill our three-part mission: education, prevention and intervention. This mission guides our organization.

#### **We would like to suggest that you always follow these safety tips:**

- Parents should monitor all activities of children they are responsible for to make sure they remain safe at all times and don't become lost. An important hint is to make sure all adults in your group communicate who is watching the children at any time.
- Apply sunscreen liberally and often.
- Drink plenty of water.
- Wear eye protection.
- Have footwear because the sand can cause serious burns (especially for children)
- Establish and check landmarks.
- Keep valuables off the beach.
- Please put trash in its place (Leave only your footprints).
- No glass containers please.
- And finally, take seriously the warning of the SRT when storms are in the area. The Ocean City Beach Patrol is in constant communication with the National Weather Service. When instructed by beach patrol personnel, please secure your belongings and leave the beach immediately for your safety and ours!

If you have a question, please ask. If you see an inappropriate or unsafe situation, please bring it to the attention of the SRT. To get current information about the beach patrol as well as daily stats and current beach conditions, you can follow the beach patrol on Twitter, Instagram or "like us" on the Official OCBP Facebook page. If interested in exciting, meaningful work as part of the Beach Patrol talk to your Surf Rescue Technician (lifeguard) or visit our website [www.ococean.com/ocbp](http://www.ococean.com/ocbp). We can't wait to be a part of your wonderful experiences in Ocean City, because we are glad you are here, and always remember to "Keep your feet in the sand until the lifeguard's in the stand!"

#### **SRT of the Week: SRT Lane Watts**

SRT Elaine Watts has been with the Beach Patrol for 2 years. She is in Crew 8 in the Middle South area of Ocean City which covers the beach from 25<sup>th</sup> Street to 51<sup>st</sup> Street. Lane is a USLA member. In her free time she enjoys playing recreational sports with friends at college. In the off season she attends Virginia Tech studying Psychology with a minor in Spanish. Lane Watts and the other lifeguards of the Ocean City Beach Patrol are glad to answer any of your beach and water safety questions. If you think you would like a position with the Patrol like Elaine's, ask any of our guards or visit our website at [www.ococean.com/ocbp](http://www.ococean.com/ocbp). We begin testing for positions for summer 2021 this August.

## Inlet Lot Parking Validation Process

Give yourself plenty of time to enter the required information (you must know your plate information) into the Pay by Plate Kiosk and to be on the inlet beach and ready for the start of your activity.

Go to a Kiosk-hit the yellow button-put your tag number in, then the provided validation code for that day and activity.

Make sure that you ask for the printed receipt which you need to keep.

That receipt-will be needed to void any ticket that you *might* get.

These validation codes are only good for a specific date, time and activity.

### Assistant Crew Chief Re-Qualification\ Re-certification

Tuesday, June 23, 2020 –08:00hrs–20:00hrs

### Veteran Re-Qualification\ Re-certification
