- Tyler Wojciechowski
- Zachary Wyatt

**OCBP Question-of-the-Week for The Worcester County Times**

**This Week's Question: Does the Beach Patrol provide any activities for children vacationing at the beach?**

Yes, we have our Junior Beach Patrol Program. This program offers children ages 10-16 the opportunity to experience the training and daily routine of real lifeguards or, as we call them, surf rescue technicians (SRTs). The program models itself after the duties and responsibilities of the SRT and focuses on the development of skills associated with the enjoyable and safe use of the beach. It is designed to instruct boys and girls in the skills and techniques of beach safety, water safety, surf rescue and physical fitness. Although we want to invite all children ages 10-16 to take part in our Junior Beach Patrol Academies, this is not a "learn to swim" program. (Recreation and Parks does offer swimming lessons.) Interested children should be comfortable on the beach and in the ocean and must meet minimum swimming and running requirements and be prepared to pass a swimming test in the ocean on day 1 of each weekly camp. Registration for these programs begins in early March and is ongoing until all slots are filled. Registration questions may be directed to the Ocean City Recreation and Parks Department at 410-250-0125. Once a participant has successfully completed all levels of the program and is at least 15 years old, they may apply and try out for a paid Junior Beach Patrol Assistant Instructor position (\$9.44 hr). Many of our current SRTs made their start in lifesaving as part of our Junior Beach Patrol.

This program is offered in two types of sessions. We offer a four-day academy from Tuesday through Friday, in a morning session from 8 until 11:30 a.m or an afternoon session from 1 to 4 p.m., as well as a one-day introduction session, which takes place on Thursdays from 1 to 5 pm. The four-day academy consists of four levels that children can advance through, having new skills introduced at each level. Programs are repeated each week for six weeks, beginning the Tuesday, following the 4<sup>th</sup> of July. There should be a JBP academy that will work during your stay in Ocean City.

In addition to the Junior Beach Patrol program, the Beach Patrol also provides special activities, programs, speakers and seminars to various groups such as scouts, church groups, camps, schools and civic organizations. They conduct these water safety seminars both in Ocean City and throughout the region. Safety training focuses primarily on drowning prevention and safety around the water. They also provide many helpful tips on how to keep children safe at the beach. These presentations and hands-on activities are critical in allowing the beach patrol to fulfill their three-part mission of education, prevention and intervention. If you have a group interested in a beach safety program or speaker, contact the beach patrol at 410-289-7556 or email ocbp@ococean.com. We also provide a safety presentation in a reserved section of the beach for your group and will also have SRTs in that area while the members of the group are getting oriented to the beach and water. You must contact us two weeks before your visit for this service. There is no charge to organizations for these presentations.

To get current information about the Beach Patrol as well as daily stats and current beach conditions, you can follow the Beach Patrol on Twitter, Instagram or "like us" on the Official OCBP Facebook page. We can't wait to be a part of your wonderful experiences in Ocean City, because we are glad you are here, and always remember to "Keep your feet in the sand until the lifeguard's in the stand!"

**This Week's Question: Why do the lifeguards make people leave the beach when it is just thundering or a little bit of lightning?**

The Ocean City Beach Patrol is in constant contact with the weather service and is aware of the current weather situation at all times. Recent developments in lightning detection and monitoring technologies give us more accurate and timely information on potentially dangerous developing cloud to ground lightning and we use this information to help assure you and your family's safety. Many times weather conditions vary from one end of Ocean City to the other. It can be sunny and mild in the south by the boardwalk and lightening and showers just 9 miles north. In fact, there are many documented cases throughout the country of people being hit by lightning while the sun is shining (called a bolt from the blue). This phenomena was recently featured on the Weather Channel and is far more common than previously thought.

The Beach Patrol is not only in constant contact with the weather service, but they have constant communication with each other up and down the beach as well. The Beach Patrol, like other modern emergency services, relies on two-way radio systems. However, they still use two systems that do not rely on any technology: whistle blasts and semaphore. The Beach Patrol's primary concern is your safety and will clear the beaches if it is not safe. There have been at least 10 documented cases of people who have been struck by lightning while on the beach (not in the water) in Ocean City with several resulting in death. While vacationing on the beaches in OC you may or may not notice the lifeguards communicating with each other, but please heed their warnings and leave the beach if asked to do so even if you do not see lightening. By complying with the directive of your Surf Rescue Technician to leave the beach immediately, you not only protect yourself but also allow our personnel to take safe cover without being delayed while trying to convince adults that it is unsafe to remain on the beach. Due to constant monitoring of the weather and their communication systems, they are aware of dangers that you might not be able to see. A beach is listed as one of the most vulnerable places to be during an electrical storm, according to weather researchers. Just remember for your safety: "If thunder roars, GO indoors!"

**Meet the Lifeguard: Crew Chief Emmanuelle Clouser**

Crew Chief Emmanuelle Clouser has been with the Beach Patrol for eight years. She is in charge of Crew 4, which covers the beach from 12<sup>th</sup> Street to 16<sup>th</sup> Street. Emmanuelle is the OCBP Coordinator of Movies on the beach and Family Olympics. She also assists with the Junior Beach Patrol program. As a United States Lifesaving Association member, Emmanuelle is also very involved in competitions. She is an active competitor for our OCBP Competition Team and our All Women's competition team.

Emmanuelle likes to practice yoga, run, and cook. She has a bachelor's degree in health and physical education. This past year she married Jonathan, who is also a Crew Chief, and moved from Canada to Pennsylvania; she also worked as a nanny to 3 adorable children and taught swim lessons.

CC Emmanuelle Clouser and the other lifeguards of the Ocean City Beach Patrol are glad to answer any of your beach and water safety questions.

## OCEAN CITY BEACH PATROL MARYLAND CHAPTER OF THE UNITED STATES LIFESAVING ASSOCIATION

The United States Lifesaving Association (USLA) is America's nonprofit, professional association of beach lifeguards and open water rescuers. The USLA works to reduce the incidence of death and injury in the aquatic environment through public education, national lifeguard standards, training programs, promotion of high levels of lifeguard readiness and other means.

### BENEFITS TO MEMBERS OF THE USLA INCLUDE:

- A one-year subscription to *American Lifeguard Magazine*... A \$12.00 value.
- Eligibility to compete in USLA Regional, National and World Lifeguard Competitions.
- Eligibility for USLA Regional, National, and International Lifeguard Exchange Programs.
- Membership in the only United States open water lifeguard association.
- Access to USLA regional and national programs and conferences.
- Access to USLA MD OCBP Chapter, USLA Regional and National Board of Directors meetings.
- Access to free USLA public educational materials, i.e. posters, bookmarks, stickers, etc.
- All members of the chapter can vote in annual chapter elections and professional members can run for office.
- Membership kit, including T-Shirt, Patch, and other items.
- Discounts at major USLA sponsors. See <http://www.usla.org> for a complete list.

The cost of membership is \$30.00.

Make checks payable to **OCBPM D USLA Chapter**.
