

Ocean City Fire Department
FIRE CHIEF'S GENERAL ORDER

FCGO: 19-010

Thursday, December 5, 2019

Page | 1

TO ALL OCFD Personnel

FROM Fire Chief Richard R. Bowers, Jr. 

SUBJECT Personal Protective Equipment (PPE), Living Areas

The safety, health and wellness of all career, volunteer, civilian staff and visitors in our Fire Stations are a priority.

Effective immediately, no personal protective equipment (PPE) is permitted inside any living area of the Fire Station. Members are to properly decontaminate their PPE after a fire incident and place it in the appropriate apparatus bay to dry.

This action is being taken to protect our personnel and visitors from being exposed to potentially harmful carcinogens and by-products of combustion.
