OCFD TRAINING PASSPORT

This FCGO is effective, June, 1, 2022

PURPOSE:

The purpose of the OCFD Training Passport procedure will be to track and record the yearly required EMS skills, fire ground tasks, and evolutions that must be completed annually. All personnel are expected to maintain proficiency in the basic job tasks/functions as outlined in NFPA 1582 and by Maryland protocols.

GUIDELINES:

The OCFD Training Passport requires these skills to be demonstrated in the presence of an approved instructor or company officer annually from June 1st until May 30th. The OCFD Training Passport task(s) recording must be completed electronically by the instructor or company officer.

REQUIREMENTS:

The required fire, rescue, EMS and FADO tasks and evolutions that must be completed annually to be approved as an IDLH SCBA certified firefighter.

Please see attached Annual Training Passport.

Note: Failure to successfully complete the required tasks and evolutions as outlined above within the required time frame will result in not being certified as an entry firefighter, driver/operator, or both. Any individual not meeting the requirements will be evaluated on a case by case basis by the Fire Chief.
