### NOTICE TO ALL BIDDERS AND PLANHOLDERS

The Bid Documents for the above-referenced Project are modified as set forth in this Addendum. The original Bid Documents and any previously issued addenda remain in full force and effect, except as modified by this Addendum, which is hereby made part of the Bid Documents. Vendors will take this Addendum into consideration when preparing and submitting a bid, and shall acknowledge receipt of this Addendum in the space provided in the Bid Documents.

### BID SUBMITTAL DEADLINE

The bid submittal time has not been changed.

### 1.0 – QUESTIONS AND ANSWERS

The following questions and answers are provided as a matter of information to clarify issues raised about the Bid Documents.

Item	Questions and Answers
1.1	Is an “aquatic” weed control license needed? <b>No</b>
1.2	Is there a list of acceptable organic herbicide that has been used in the past? <b>Avenger and A.D.I.O.S. has been used in the past. However, any other approved brand <u>organic</u> herbicide suggested by the vendor and discuss with Town prior to using is an option.</b>
1.3	Define a street curb. A street curb is defined as the edge where a raised sidewalk or road median/central reservation meets a street or other roadway. <b>See attached picture for clarification.</b>
1.4	When is the one spray to be completed? <b>The Town prefers late April to the beginning of May weather permitting. However, spraying needs to definitely be completed before the busy season “June” and understanding weather could be a factor.</b>
1.5	<b>The median along Coastal Highway is not part of this proposal.</b>
1.6	<b>The successful vendor must alert the Public Works Manager <u>BEFORE</u> spraying and update the Public Works Manager of the locations on any day that spraying occurs by vendor.</b>
