

Ocean City,

# DRIVE IN DISGUISE & Trunk or Treat

Ocean City presents the rare opportunity to drive Ocean City's historic Boardwalk, October 24, 2020 with a great two-part family-friendly event. Start with a decorated vehicle themed for the Halloween experience, add a human, two or more in costume and let your imagination go wild from there! You'll drive the boards in a police escort from 26th Street south to the amusement pier passed waiting spectators. The finale happens at the end of the drive where the parade of vehicles marches to a halt in a crowd of trick-or-treaters eagerly awaiting the highly anticipated trunk or treat. Empty that cache of candy at the nearby store and prepare for an onslaught of kids happy to see your enthusiasm and horde of sweet pre-packaged goodies. While you are treating the kids to a fun Halloween experience, you and your vehicle will be judged for great prizes announced at the completion of the candy bash.

This form is designed to complete electronically, save and submit via email.

Complete the registration form below and submit to the Town's Private Event Coordinator at:
