If you would like to park in any regulated Town of Ocean City parking area you must possess and display an authorized Parking Permit or have your specific vehicle registered.

If you are a resident of the Tarry-A-While employee housing and own a vehicle, you may request a permit to allow overnight parking only (6:00 PM-7:30 AM), in the Beach Patrol Headquarters lot at 109 Talbot Street. Tenants of Tarry-A-While employee housing may only use the parking area that is located at 109 Talbot Street and is marked for "Official Beach Patrol Parking" between 6:00 PM and 7:30 AM (your vehicle must be removed during the day). This parking area is available on a first come basis and is **NOT** an amenity of the employee housing. This is used for your registered personal vehicle and is not transferable and is not for your visitors. **DO NOT DOUBLE PARK!** Each vehicle must be able to leave the parking area. If this lot is full you **MUST** find another legal parking space for your vehicle.

Beach Patrol personnel assigned to work at Headquarters may park in the Beach Patrol parking area located at 109 Talbot Street (enter from Dorchester Street) with an authorized permit while working. Do not park in a spot designated for a specific position other than your own; other spots are available on a first come basis. **DO NOT DOUBLE PARK!** Each vehicle must be able to leave the parking area. If this lot is full you **MUST** find another legal parking space for your vehicle.

Municipal parking (excluding the Inlet lot) is available for working employees only during working hours (9:00 AM-6:00 PM) or special Beach Patrol activities if your specific vehicle is registered with the Town of Ocean City. If you wish to apply for registration, you must complete this form and your request will be reviewed and a Parking Permit may be issued.
