

Ocean City Recreation and Parks
Indoor Cup
Rules and Regulations 2019

The Ocean City Indoor Soccer Rules are based on the Youth and Amateur Edition of the United States Indoor Soccer Association rulebook. In the case that a rule is not specifically covered in this document the US Indoor Youth and Amateur rulebook will be consulted. This book is available at www.usindoor.com. Tournament referees have been assigned through HARSOA and are members in good standing of the Maryland Independent Soccer Officials Association.

Eligibility and Team Composition

1. Teams are divided into age divisions by the birth year with the exception for those who were born September 1, 2000 and after will be eligible to play with the 2001 division. If there are not enough teams in a specific birth year division then ages may be combined under the discretion of the tournament director.
2. Coaches must have proof of age for all players and must present proper identification to verify ages for each player at Tournament Check-In. Proper forms of identification include birth certificates, passports, driver's license, state identification card and approved soccer cards from leagues or the US Soccer Federation that include birthdates. The tournament directors shall immediately rule upon any age eligibility protest announced before, during or after a game.
3. Rosters are limited to 18 players and **2 coaches**. Only these players and coaches may be in the bench area. **Ejected players or coaches may not be in the bench area and may be asked to leave the facility if deemed necessary by tournament staff.**
4. Players may only participate on 1 team per age division. If players choose to play in multiple age divisions that they qualify for per weekend that is solely the players responsibility. The tournament will not be able to make concessions for scheduling games to accommodate players playing on multiple teams.
5. A **complete** final roster is due at check-in at least 30 minutes prior to playing. Any player that is not on the final roster is considered an illegal player.

Game Fundamentals

1. Games are six players a side (including the keeper) ***Exceptions: Games played in the East Gym during the weekend of February 22-24 will play five players (including the keeper). Games played in the West Gym in the 09 and younger divisions will play seven players a side (including the keeper).**
2. Teams must have a minimum of **four** players to start the game.
3. The game has two, 17-minute halves.
4. Halftime is up to three minutes in duration.
5. Each team has one, 30-second timeout per game which can only be called when the team has possession and the ball is out of bounds, a dead ball situation, after a goal scored on your team, or when the ball is in your goalkeeper's possession. Also, the restart after the goalkeeper has called a time out is a free kick inside the goal area and not from the goalkeepers hands. Each team receives one 30-second timeout during overtime but timeouts do not carry over from the game.
6. During pool play, games ending in a tie score will be recorded as a tie.

7. **Game time is forfeit time**, but teams must be ready to play 15 minutes prior to your contest when tournament is running ahead of schedule.
8. Forfeits: A forfeit can be determined at any time. Forfeits will be called for illegal players and age eligibility requirements. Forfeits will be scored as (10-0).
9. If at any time after the first half a team leads by 10 goals, the game is over. (Mercy Rule)

Equipment

1. Ocean City Recreation and Parks shall provide all game and warm-up balls.
2. Absolutely no jewelry is permitted. Medic-Alert tags are not jewelry if properly covered.
3. Each player must wear a matching color jersey with a number on the back of the jersey.
4. The goalkeeper's jersey must be different from that of the rest of his/her team and the opponents and have a number on the back
5. **All players must wear shin guards.**
6. Any braces and/or casts must be properly padded as to not endanger any player. The game referees shall approve these prior to each contest.

Playing Rules (Based on US Indoor Soccer Association rules)

1. Any ball that leaves the playing area, hits the netting above the dasher walls, strikes the ceiling, contacts the divider curtain is out of bounds. Play will be restarted with a free kick or goalkeeper distribution as appropriate.
2. **Goalkeeper distribution** is a restart method in which the goalkeeper may throw or punt the ball. It is used when an attacking player last touches a ball before it goes out of bounds between the corner marks.
3. All **restarts after a foul** are direct and **do not** require a referee's whistle, but may be used as directed by the referee.
4. For all **out of bounds restarts** there shall be **2 whistles**, one to stop play and one to start play. This is a guaranteed substitution. **In the last 2 minutes of the second half and in the last 2 minutes of overtime there are no guaranteed substitutions. Substitutions may be made "on the fly" at any time.**
5. There is no offside.
6. **Slide tackling** is illegal. Goalkeepers may slide, within their own penalty area, in order to protect the goal. (*slide tackling is defined as a defensive move to dispossess the ball from an attacking player*)
7. Any ball striking or flying over the gym partition (curtain) is out of bounds. In the East gym if the ball strikes or flies over the partition the ball is placed on the yellow middle infield line for re-starts.
8. Kickoffs in the East Gym will occur from the top of the goal box and in the West Gym kickoffs will be from mid court. Teams must be on their own side of the field during kick offs.
9. Running full speed into the dasher walls and/or breaking ceiling insulation can both be cited as "damage to the facility" and penalty time may be assessed.

10. Goalkeeper possession is relative to the position of the ball, not the person.
11. For all restarts a minimum of 10 feet of space, in all directions, must be given by the defense.
12. The goalkeeper must play the ball within 5 seconds of gaining control with his/her hands.
13. The goalkeeper may not handle a ball that is kicked back by a teammate.
14. The only time a penalty kick is awarded after a foul is committed in the penalty box is when a card is issued for the infraction.
15. Any player who is found to be bleeding must be removed from the game until the bleeding is appropriately bandaged. If the uniform is saturated with blood the uniform must be changed prior to the player returning to the game.
16. The referees have the authority to rule on any point not covered by these rules or the US Indoor Soccer Youth and Amateur Rule Book.

Fouls and Misconduct

1. Any penalty of two minutes (**unless otherwise noted in these rules**) shall be served by the offender and will terminate if the opposing team should score. A penalty of five minutes shall be served entirely regardless of the number of times the opponent scores.
2. When a card is given there will be a minimum number of players imposed on the playing fields. Penalty time rules will still be in effect, but there will be a minimum amount of players on the field. In the East and West Gyms the minimum number of players during regulation play will be three field players and the goalie. During overtime periods the minimum number of players in the east Gym will be two field players and a goalie.
3. When two opponents receive cards for simultaneous fouls, both players will serve non-releasable penalty time and both teams will play down a player but not below the allowed minimum number of players on the field.
4. The referees will only be using **Blue and Red cards** for fouls and misconduct. **Blue** cards will carry a penalty of two minutes. **Red** cards will carry a penalty of five minutes that are non-releasable. **A player who receives three blue cards in the same game will be shown a RED card. Ejection from the game shall occur and the participant will be ejected from playing in the next scheduled game.**
5. Dissent against the referee will result in a **non-releasable** two minute (blue card) penalty. The team will play down a player regardless of an opponent score. Foul and abusive language directed against an opponent, player, staff member or the referee will result in a 5-minute RED card penalty. The team will play down a player regardless of an opponent score.
6. A field player shall serve penalty time charged to the goalkeeper unless the referee rules the foul to be flagrant in nature or dissent against the referee. In those cases the goalkeeper shall serve his his/her penalty time.
7. **Unsportsmanlike conduct from the coach/bench** shall result in a **non-releasable** two minute penalty. The team will play down a player regardless of an opponent score.
8. An ejection (red card) results in the offender being ineligible to participate in the current game and **at least one** subsequent game. A member of the offender's team shall serve a 5-minute non-releasable penalty. Following the 5-minute power play the team will be back to full strength. The offender's team does not play down for the entire contest (except when the ejection occurs with less than 5 minutes remaining in the contest).

9. Any player or coach who is ejected will be suspended from the contest they are currently playing and the next scheduled game. The tournament directors will make a ruling on the exact penalties after discussions with the game referees, scorekeepers, and team personnel.
10. Any player or coach that receives a **red card** at the **end of an elimination game** may be subject to disciplinary action in any future tournaments in which they choose to participate.
11. No heading the soccer in ball in the 08 and under divisions. Restarts are direct free kick's from the infraction unless inside the penalty area at which time the ball is placed at the spot designated on the floor. Accidental is a drop kick from the spot of infraction.
12. Tournament directors, referees and facility staff may eject team members, coaches, and spectators from the facility for any reason they deem necessary to provide safety and maintain control of the event.
13. Any team or person who is ejected from our tournament indefinitely will be reported to The Mid-Atlantic Recreation and Sports Alliance. For more information contact www.marpsa.com

Playoff Information

1. Playoff brackets will be single elimination and updated as soon as the staff has all relevant information.
2. Games that end in a tie will have a five-minute sudden death overtime period with **each team playing a man down**. A coin toss will determine kick-off and direction of play. Each team receives one 30 second time out during overtime but timeouts do not carry over from game. All other game rules still apply. If the game remains tied **penalty kicks** will be used to determine a winner.
3. Each team will select 3 players for the **penalty kicks**. Each team will use the keeper in place at the end of the contest (only changed if injured). After each team has taken 3 shots the team with the most goals shall be declared the winner. If the score is still tied then we go into sudden death, where each team takes one further penalty kick each, repeated until only one team scores, resulting in the winning of the game. The shooters start back with the first shooter. (The goalkeeper may be selected to shoot.)
4. Teams will be seeded in the playoffs by pool play record. The following tiebreakers will be used when necessary.
 1. Head to Head competition.
 2. Fewest Goals allowed.
 3. Plus/minus goal ratio
 4. Coin Flip
