Ocean City,

# DRIVE IN DISGUISE & Trunk or Treat

Ocean City presents a rare opportunity to drive Ocean City’s historic Boardwalk, October 23, 2021 with a great two-part, family-friendly event. Let your imagination go wild as you decorate your vehicle themed for Halloween, add a human or two (or more) in costume and drive on the boards with a police escort from 26th Street south to the Inlet Parking Lot, passed waiting spectators. The finale happens at the end of the drive, where the parade of vehicles marches to a halt in a crowd of trick-or-treaters, eagerly awaiting the highly anticipated trunk or treat! Ready that cache of candy, and prepare for an onslaught of kids happy to see your enthusiasm and horde of sweet, pre-packaged goodies. While you are treating the kids to a fun Halloween experience, you and your vehicle will be judged for great prizes announced at the completion of the candy bash.
