**TOWN OF OCEAN CITY
DEPARTMENT OF RECREATION AND PARKS**

FACILITY USE APPLICATION GUIDELINES

- 1.01 OVERVIEW:** Pursuant to Town Policy PPM 600-6, the Recreation and Parks Department permits the public to reserve some of its public facilities for private functions, meetings, sports activities, etc., when not scheduled for the Mayor and Council, Department or other priority uses. An individual, organization or business may make a request to the Department to use Recreation and Parks facilities.

In order to reserve any of these facilities, the Department has instituted certain restrictions and regulations for use of Town facilities, many of which are explained below. Please read these guidelines very carefully and use them as a guide in completing your facility use application. Please direct your questions to the Facilities Supervisor of the Ocean City Recreation and Parks Department at (410) 250-0125.

- 1.02 EXCLUSIONS:** An applicant may be excluded from eligibility for use for the following reasons:

1. The applicant prohibits participation in its programs or services on the basis of race, creed, or religion.
2. The applicant has an unpaid balance due to the Town of Ocean City or the Ocean City Recreation and Parks Department.
3. The applicant has previously violated or abused the provisions of the reservation system.

- 1.03 APPLICANT STATUS:** An applicant may either be:

1. An individual requesting a reservation for a private use.
2. An official representative of a business requesting a reservation for a business, company or corporation.
3. An official representative or officer of a not for profit group, association or social organization.
4. An official representative of a sports, recreation or leisure organization, league or sanctioning body.

An individual, group, organization, business or association requesting a reservation may not circumvent the applicable non-resident fees by using a resident's name or a resident's address in lieu of the official applicant's name.

- 1.04 ADMINISTRATION:** Pursuant to the policy of the Town of Ocean City, the reservation process is administered by the Department of Recreation and Parks. The Director of Recreation and Parks and designated employees of the Department are responsible for implementing the reservation system. The Director of Recreation and Parks is authorized to verify the eligibility based on the criteria established in this procedure. The Director of Recreation and Parks may make exceptions to the reservation system for good cause.

All requests for use will be considered pending applications until a use reservation is granted or denied. No guarantee of availability is made or implied by the acceptance of the application.

- 1.05 APPLICATION PROCEDURE:** Review the Facility Use Application guidelines carefully. Understanding of and compliance with each guideline will assist in the smooth processing of each application. Fully complete the attached facility use application form, and return it to: Ocean City Recreation and Parks Department, ATTN: Facility Use Applications, 200 - 125th Street, Ocean City, MD 21842. Applications received in person will be processed before those received by mail or fax. Incomplete or defective applications will be returned to the applicant. The application should be submitted at least five (5) business days prior to the requested date. A new application must be submitted annually for recurring reservation requests.

All requests for uses will conform with the reservation application process of the Department of Recreation and Parks. A potential user shall make a written application for use on the request form provided by the Department of Recreation and Parks.

An applicant must provide a down payment when the application is made. If a use reservation is granted, the applicant will be required to comply with the hold harmless and clean up provisions of the permit (see attached).

If a use is denied and a down payment has been paid, the payment will be refunded to the applicant. If a use is granted and the applicant cancels the reservation prior to the use, the down payment is forfeited and no refund is due the applicant.

Applications are reviewed by the Facilities Supervisor, approved by the Director of Recreation and Parks, and coordinated by the various staff of the Ocean City Recreation and Parks Department including the Administration, Recreation Programs, and Parks Divisions. Applicants or their representative(s) may be required to meet with the Facilities Supervisor at the requested facility(s) once the application is approved. Approval may be granted, denied, or modified by the Director of Recreation and Parks. Additional planning or coordination meetings may be required with appropriate Recreation and Parks employees.

1.06 ALLOWABLE USES AND RESTRICTIONS: The Ocean City Recreation and Parks facilities are available with some restrictions. The restrictions are established to protect the health, safety and welfare of the public, to prevent damages to Town property and to maintain order and access to the facilities.

Some uses are expressly prohibited and they include:

- Alcoholic beverages
- Gambling or games of chance for monetary advantage

The allowable uses of the facility must be compatible with the physical limits of the space and attendance may not exceed the Fire Marshal's posted occupancy limit for buildings or the visitor capacity for an outdoor facility.

The use of any tents, air inflated structures or fireworks, requires a separate application to the Ocean City Fire Marshal's office, 410-289-8780. Acknowledgement of appropriate Fire Marshal approval must be forwarded to the Recreation and Parks office before the facility usage application may be approved.

Food and beverages may be consumed on the site, however restrictions and additional fees may apply.

The charge of a reasonable admission fee, participation fee or financial offering associated with any permitted use may be allowed with the explicit approval of the Director.

The sales of services, food and beverage or merchandise associated with any use are restricted and will only be allowed with the explicit approval of the Director.

All permitted uses at Northside Park will conform to the local ordinances and rules for use of Northside Park Recreation Complex established by the Department of Recreation and Parks, which include no profanity or loud music, no smoking in buildings and designated outdoor areas and hours of use between 8:00 a.m. and 11:00 p.m. only.

1.07 TIMELINE TO REQUEST USE OF RECREATION & PARKS FACILITIES: Facilities use applications must be completed and submitted to the Facilities Supervisor. The minimum advance period to make a request for a reservation is five business days prior to the requested date. The maximum advance period to make a request for a reservation is not more than six months in advance of the intended date of use. See the Reservation Application Timeline for guidance. The Department may entertain a request for a use with less than five business-days notice provided there is not special facility preparation. The Department may entertain a request for an annual or recurring sports tournament or special event from an applicant in good standing more than 6 months in advance.

1.08 PAYMENT FOR THE RESERVATION: A \$35 down payment per facility, per day is required once the reservation availability has been approved. The balance of reservation fees is due at least five (5) days prior to the reservation date. For tournament reservations, the full amount is due on the first day of the tournament. All fees should be made payable to: "Town of Ocean City."

1.09 PRICE OF USE: A price is charged for the use of the facilities, and all are listed on the attached “Fees for Reservations.” The price is established in consideration for the privilege of a reserved use, and to offset the costs associated with the facility use such as set-up, breakdown, clean up and staff time.

The price for indoor reservations may be less if the requested use occurs during normal operating hours of the building while staff is present, and there are no special set-up or support requests. The price is greater if the requested use for indoor reservations occurs outside the normal operating hours for the building, which includes evenings and weekends. A charge may be assessed for additional equipment, furniture or staff requested.

1.10 FREQUENCY AND NUMBER OF USES: The frequency and number of uses by an applicant may be restricted in order to ensure a fair distribution of uses between eligible applicants and in order to avoid a disproportionate use by one or more applicants. A maximum use of facilities per month may be applied.

1.11 VEHICLE ACCESS: Vehicle access through any park to load and unload supplies, setup, etc. must be clearly identified on the facility use application under “Special Requests.” It must be approved in advance by the Facilities Supervisor, and a vehicle access permit will be issued.

1.12 CHANGES IN THE APPLICATION: Any request for deviation from the completed facility use application after approval is granted must be in writing prior to the reservation and appropriate approvals must be obtained.

1.13 SETUP/CLEANUP AND SPECIAL SERVICES: Each applicant should make his/her application based upon providing all the necessary setup, breakdown, and any cleanup for the use without assistance of Town services. The applicant is required to clean the area of trash generated by the use and transport it to the appropriate receptacle. Failure to practice appropriate cleanup procedures may result in an assessed cleanup or damage fee against the user.

If Town services are required, it should be clearly identified on the facility use application for review and approval.

1.14 PRIVATE CONCESSIONS: No food or beverage concessions or merchandise sales will be permitted on any Town of Ocean City park property without prior approval. The Recreation and Parks Department reserves the right to operate concessions at any of its facilities. Any request for concession operations must be evaluated and approved prior to the reservation. Requested beverage sales must maintain compliance with the beverage sponsorship restrictions noted in 1.15 of the guidelines. An additional fee of \$75 - \$125 per day for merchandise concession and a fee of \$150 - \$200 per day for food concession will be assessed for any granted concession privilege.

1.15 BEVERAGE FRANCHISE: The Town of Ocean City maintains an exclusive beverage franchise with the Coca Cola Company that prohibits the promotion, sale, and distribution of any competing beverage to include soft drinks, juices, sport drinks, and bottled water on any Town property. All applicants requesting use of Town of Ocean

City property must comply with this agreement that is in effect from April 1, 2012 thru April 1, 2017.

- 1.16 LIABILITY INSURANCE:** All applicants must sign and submit the Harmless Clause and Clean-up Responsibility and Liability Form. An applicant may be required to provide a certificate of insurance for certain uses. If the use is for a tournament, sporting event or special event, then the applicant shall provide the Town with a certificate of occurrence for comprehensive general liability insurance with a value of \$1,000,000. The exact wording on the certificate should be "The Mayor and City Council for the Town of Ocean City, 301 Baltimore Avenue, Ocean City, MD 21842" as additional insureds. The certificate of insurance must be provided before the use. Additional liability precautions may be required of an applicant.
- 1.17 MUSIC AND PUBLIC ADDRESS SYSTEMS:** Approved uses operate in accordance with the Ocean City Code 30-367 of 65 decibels.
- 1.18 ALCOHOLIC BEVERAGES ILLEGAL:** Open containers of alcoholic beverages on public property are illegal. An applicant may petition the Town Council for special permission to serve alcohol subject to the subsequent approval by the Worcester County Board of License Commissioners.
- 1.19 MANDATED CHANGES/CANCELLATIONS:** Applicant understands that any event or reservation can be changed or canceled at the direction of the Director of Recreation and Parks or the Mayor and City Council if the approved event or reservation interferes with any Town of Ocean City projects, events, or any other necessary government function. Such action may be directed at any time.

The Recreation & Parks staff has the authority to change, notify, postpone, and /or cancel any reservation for any reason. This shall usually be considered when weather conditions may make playing conditions unsafe, impractical, and/or fields vulnerable to excessive damage.

For reservations holding a recognizable economic or visual impact on the Town of Ocean City, The Director of Recreation and Parks or his/her designee shall have the final authority to grant and/or deny reservation field use. These events shall be identified in advance and the Facilities Supervisor or designee shall make arrangements for the Director's attendance.

- 1.20 PENALTY FOR NONCOMPLIANCE:** Noncompliance with any of these written guidelines either prior to, or during an event, may result in the revocation of all approved reservations or immediate reservation cancellation.

QUESTIONS SHOULD BE DIRECTED TO THE RECREATION AND PARKS DEPARTMENT'S FACILITIES SUPERVISOR AT (410) 250-0125.

Keep these procedures for your information. Sign the acknowledgement that you have reviewed and will comply with all procedures in the appropriate section of the application packet.
