15. APPLICABLE LAWS
- 15.1. Vendor will observe and comply with all applicable federal, state, and local laws and regulations in the performance of the Contract. The Contract will be construed and interpreted in accordance with the laws of the State of Maryland and all questions of performance hereunder will be determined in accordance with such laws.
16. SUSPENSION OR TERMINATION FOR CONVENIENCE
- 16.1. The Town will have the right, at any time by written notice, for its convenience, to suspend the Work under the Contract for such time as may be determined by the Town to be necessary or desirable up to ninety (90) days, unless a longer time is agreed upon in writing by both parties; and thereafter, to require resumption of the whole or any part of the Work without invalidating the provisions of the Contract.
- 16.2. The Town will have the right, at any time by written notice, for its convenience, to terminate the Work in whole or in part.
- 16.3. Any notice issued pursuant to Sections 16.1 and/or 16.2 will state the extent and effective date of such notice, except as otherwise directed, the Vendor will stop Work on the date of receipt of the Notice of Termination or other date specified in the notice; place no further orders or subcontracts for materials, services, or facilities, except as necessary for the completion of such portion of the Work not terminated.

16.6. The Vendor will not be paid on account of loss of anticipated profits or revenues or for Work not completed prior to the date of termination of the Contract.

17. TERMINATION FOR CAUSE

17.1. Either party may terminate the Contract in the event the other party has materially breached or defaulted in the performance of any of its obligations hereunder, and such default has continued for thirty (30) days after written notice thereof was provided to the breaching party by the non-breaching party. Any termination will become effective at the end of such thirty (30) day period unless the breaching party has cured any such breach or default prior to the expiration of such period. If a party defaults under any of the Contract's terms, the non-defaulting party will give the defaulting party a written notice of the default. The defaulting party has ten (10) business days after receipt of this notice to cure the default. If the defaulting party fails to cure the default within this time period, the non-defaulting party may exercise those remedies granted under the Contract or applicable law. Notwithstanding the above, in the case of a failure to pay any amount due hereunder the period for cure of any such default following notice thereof will be ten (10) days and, unless payment is made within such period, the termination will become effective at the end of such period.
