Reports involving JUVENILES (<18) charged with an offense cannot be released without a court order, even to parents.

Police incident reports are only released to 'parties in interest' which includes those named in the report; your attorney of record; your insurance company; your legally appointed representative; and by subpoena. The request may be denied if the incident is under investigation or for any other legal reason. Property owners will not be given reports concerning renters unless the owner(s) are specifically named as a victim in the report; the call for service will be sent instead.

OFFICE USE ONLY:

Amount Paid: _____

Requested from FSU Date: _____

All items Mailed Date: _____
