IN THE Spotlight

RON RICKARDS RETIRES AFTER 39 YEARS

Ron Rickards recently retired after an illustrious 39-year career with the Recreation and Parks Department, and is currently the longest tenured employee in the Department's history. Ron took personal pride in the upkeep of Northside Park and was an integral part of the Recreation & Parks team that contributed to Northside Park being awarded the Trip Advisor Certificate of Excellence the past four years. He was exceptionally proud of being the one responsible for designing the display layout for the Winterfest of Lights each year. He loved cutting grass, almost to a fault, and was an expert laying out and lining ballfields.

Born and raised in Berlin, Ron was an exceptional athlete, and his experience with sports and leadership made him a perfect fit to take on a Comprehensive Employment and Training Act (CETA) position with the Recreation and Parks Department. A few years after working as a CETA employee, Ronnie was hired full-time by the Town in 1979. At that time, there were only six employees in the Department and staff had to perform many different tasks in both park maintenance and recreation programming.

As the Department grew, positions became more specialized, and Ronnie gravitated to the Parks side where he became an expert in field preparation and the self-proclaimed care-taker of Northside Park.

Parks Superintendent Gary Collier noted, "What was most striking to me about Ron was his ability to remember field dimensions. He could lay out softball, soccer and lacrosse fields at Northside Park with no diagrams, using only dimensions stored in his head."

Over time, Ronnie had the opportunity to work in all of the various divisions and zones of the Parks team, and over his career was promoted from a Parks Worker to a Crew Leader, and most recently, to a Parks Supervisor.

"Ronnie's passion for Northside Park will be missed," shared Recreation and Parks Director, Susan Petito, "He served as a 'coach' on and off of the job, expecting the best from his work crews, and leading our employee softball team to many victories over the years. We all wish him well, and, know, that as a resident of Ocean City, he'll be keeping an eye on us as he continues to enjoy the beauty of the many parks he cared for over his long and rewarding career."

OCEAN BOWL SKATE PARK TO GET A FACE LIFT

ocean bowl skate park
OCEAN CITY, MARYLAND

The Ocean Bowl Skate Park's iconic vertical ramp will receive a face lift this Spring as we resurface the ramp and complete some needed repairs on the existing structure. The vert ramp is one of our most challenging elements to skate as it stands 12 feet high with 10 ½ foot transitions and over a foot of vertical. We use the 32 feet of flat bottom for teaching our beginner skaters to learn how to pump. We are excited to update our iconic vert ramp and keep it as an exciting attraction for all skaters to enjoy for years to come. Renovations will begin late February and all upgrades will be finished for the summer season.

JARRETT WIDGEON PROMOTED TO PARKS SUPERVISOR

Congratulations to Jarrett Widgeon on his recent promotion to Parks Supervisor. Jarrett is a 2009 graduate of Stephen Decatur High School. Born and raised in Worcester County, he has been very involved within his community. He has served as a volunteer fire fighter at Showell VFD for the past 13 years, the last two in the capacity of Fire Chief. Jarrett enjoys fishing, hunting, and camping with his family and friends. He recently married his wife Stacey in November 2018.

Prior to coming to the Ocean City Recreation & Parks Division, Jarrett worked for Delaware Elevator. He began his tenure with the Parks Division as a part-time seasonal Parks Worker in 2014 and was assigned to work at Northside Park. His experience in construction and the ability to operate heavy equipment enabled him to be hired full time as part of the landscaping crew in October of 2014. The ability to learn quickly and obtain Maryland certifications as a Public Agency Pesticide Applicator, Professional Fertilizer Applicator, and Roadside Tree Care Expert led to him being promoted to Crew Leader in 2017.

MOTHER AND SON DUO OF THE YEAR!

MARPSA AWARDS 2018 GOOD SPORTS COACH OF THE YEAR

The Ocean City Recreation & Parks Department is proud to announce that Sanji Ramnarain has been awarded the 2018 Good Sports Coach of the Year.

Sanji coaches 7th & 8th grade youth soccer in the Saturday Youth League. She is an excellent coach and works extremely well with our youth players, and the kids love playing for her. Sanji instills in her players more than just the importance of winning matches. She makes it fun while emphasizing teamwork, respect for others, and the benefits of doing your very best each time on the field.

Sanji is also extremely organized and helpful. She has helped to keep our evaluation process on track while separating players into teams, coordinates youth volunteers to help with the program, and graciously gives her time even on the longest of days. We are always so thankful for her help.

There are hundreds of instances where Sanji's exemplary dedication and leadership skills shine. Sanji is one of the best and we are so grateful for her hard work and dedication to Ocean City Recreation & Park's youth programs.

MARPSA AWARDS 2018 GOOD SPORTS PLAYER OF THE YEAR

The Ocean City Recreation & Parks Department is proud to announce that Finn Ramnarain has been awarded the 2018 Good Sports Player of the Year

Finn Ramnarain participates in our Youth Indoor Soccer League on Saturdays at Northside Park. He also plays in our Soccer and Futsal tournaments. Finn always shows a great attitude, he is always very positive with his teammates, and very respectful to the coaches and the officials. He loves the sport of soccer and does his best to promote the sport. This season Finn volunteered and helped us run drills for our soccer skills evaluation process. He was extremely enthusiastic while working with these younger children. He made the most basic drills fun and exciting for young kids as he explained the drill, showed its benefits, and participated with the kids. Finn also was a volunteer score keeper for our Indoor League on many days. He worked both before and after his own league games.

Finn is a special person and a pleasure to work with and be around. It is honor to have Finn representing Ocean City Recreation & Parks as the Good Sports Player of the Year.

NEW PICKLEBALL COURT ADDED AT GORMAN PARK – *Finally!*

Gorman Park, a lovely neighborhood park off of 136th Street and Derrickson Avenue, is now the home to the Town's first dedicated outdoor Pickleball court. Thanks to a $115,000 grant from the Department of Natural Resources, the Town was able to add the new Pickleball Court, as well as improve the park's drainage, add new curbing, resurface the park's long-standing tennis court, and add new fencing. In addition, the Town funded the reconstruction of the treasured 3-wall Racquetball Court, one of only a few that still exist in the Mid-Atlantic region. Proven to be a labor of love, the Gorman Park project was over two-years in the making.And thanks to the Town's Engineering Department, the park will be ready this spring to invite the community to "Get Active. Be Healthy. Have Fun!"

INTRODUCING CHRISTIAN WAGNER, PARKS WORKER

There, he graduated from Nazareth Area High School just a few short years ago. Christian moved to the Eastern Shore of Maryland a little more than a year ago. His hobbies include adventuring and playing baseball. We are thrilled to have Christian as part of our Parks team.

OCEAN CITY RECREATION & PARKS...GET TO KNOW US!

BEAUTIFICATION COMMITTEE

The Town of Ocean City Beautification Committee works in partnership with the Department of Recreation and Parks to bring the beauty of trees and color to our barrier island town. The volunteer members are appointed and commissioned by the Mayor and City Council to help determine the needs of the town for the planting, maintenance, and protection of all trees on the streets and in the parks of Ocean City. The members provide assistance by making referrals for the enforcement of the landscape code.

Each spring, the Ocean City Beautification Committee, along with the second grade students from Ocean City Elementary School, join to produce an Arbor Day celebration for the town at the school. During the festivities, the Mayor is presented with the National Arbor Day Foundation's Tree City USA Award and the MD P.L.A.N.T Award, which is administered by the Maryland Community Forest Committee. During the summer, the committee tours the town to review nominated properties for Beauty Spots Awards, which the Mayor and City Council present in September at a City Council meeting. Nominations can be made by July 4. Email nominations to ocbeautification@hotmail.com. Each December, the committee beautifully decorates City Hall for the holidays.

Please visit the committee on the web at www.oceancitymd.gov/bc/.

The devoted committee members are Jennifer Albright, Robin Breeden, Katy Durham, Steve Genua, Jenny Martin, Donna Reid, Nancy Smith, Toni Wagner, and Donna Greenwood, Chairman.
