Parking Just Got Easier In

OCEAN CITY
MARYLAND

How To Use The Pay-by-Plate Kiosks:

1. Push start to begin

2. Enter license plate number, then press the green button

3. Insert Coins or credit card and follow on screen instructions

4. Press green button to complete transaction and print receipt

5. There is no need to place a receipt on the dashboard, you just pay and go!

For Parking in the Inlet Lot: You can pay for your desired amount of time when you park **OR** you can pay before you leave the lot by paying for the amount of time you stayed.

For Parking On-Street or in Municipal Lots: you **MUST** pay for your desired amount of time when you park.

Or download the ParkMobile App for your parking needs! **P Parkmobile**

FAQs:

Q: Do I have to place my receipt on the dashboard?
A: No, you can just pay and go!

Q: How does the enforcement officer know that I have paid?
A: The parking enforcement officers use a handheld device that displays of listing of paid plates.

Q: Do I have to pay when I park or do I pay when I leave my space?
A: *For parking on-street or in municipal lots:* you **MUST** pay for your desired amount of time when you park.

Q: How does the automatic camera enforcement at the inlet lot work?
A: The system records the number of minutes your vehicle stays in the lot and compares that with the amount of time purchased from the kiosk. If you have exceeded the amount of time in the lot that you purchased by more than 30 minutes, you will receive an invoice in the mail for the difference plus a $25 processing fee. You can pay for your desired amount of time at the inlet lot on entry or at any time prior to exiting the lot.

Q: Can I extend my parking session at the kiosk?
A: Yes, if you make an initial transaction at an on-street kiosk you can extend your time from another kiosk up to the maximum time limit. If you make a payment at the Inlet Lot you can only extend at kiosks in the Inlet Lot.
