

Thank you for choosing to film your production in Ocean City, Maryland! Our community offers a variety of film locations including the beach, bay, boardwalk, historic downtown and uptown Ocean City. We hope that your filming experience in Ocean City is a positive one.

To assist us in helping to make your production a success, complete the following information. Please understand that this submittal does not automatically approve your request. The details will be communicated to the city manager and various town departments for further review and recommendations.

Motion picture, video or broadcast television productions, other than new media, involving the staging of vehicles, equipment, props or large crews on public property, including buildings, streets and sidewalks, or requiring the use of city equipment or services may be referred to the Special Events Department for processing and approval of the Mayor and City Council.

If you have any questions, please contact Communications Manager Jessica Waters at 410-289-8887.
