## **A WALKING HOLIDAY EVENT**

**November 19, 2020 – January 2, 2021  
Wednesday through Sunday 5:30 – 9:30 p.m.**

Northside Park becomes a Holiday Wonderland!

Ocean City's original holiday light show will return for its 28th year as an outdoor, walking tour. Due to the safety precautions associated with the prevention of COVID-19, modifications have been made to this holiday tradition and will look very different for 2020.

Grab a cup of hot chocolate and come experience the magic of the season close up. The wandering path is approximately a half mile and contains lots of surprises along the way. Walk through the Candy Cane Woods or find the spot to take that perfect family photo or even a selfie to post online. The spectacular light displays will include some favorites like Santa's Workshop and the Reindeer Flight School and many more. On your journey, don't miss the amazing, 50-foot Winterfest Christmas tree "performing" a show several times an hour.

The Winterfest gift shop will be open to find that unique present. With precautions in place, Santa will be able to visit and hear everyone's wish list for Christmas 2020. Santa will be available for photos every night through December 23.

Advance admission will be available online closer to the event.
