Revised: 08-24-2022
Effective: 02-03-2023
Approved: 12-21-2022
Section: 220.00

220.0 Purpose

To provide policy and guidelines for safe, efficient, and effective operations of the Fire Stations.

220.01 Policy

- A. The on-duty Officer in Charge is responsible for the operation of the Fire Stations during their shift.
- B. Each Fire Station shall be maintained and operated in a manner which promotes efficiency, good appearance, and safety to the personnel assigned there and to the public.
- C. Each morning, at 0715 daily "line up" will be conducted with all on-duty personnel via a conference call, this call will be led by the on duty Battalion Chief. Information related to the day's operations and specific station needs will be addressed during this conference call. The following is information to be relayed during "line up":
 - 1. Scheduled personnel are present and ready for operations
 - 2. Uniform of the day
 - 3. Shift training and other training as assigned
 - 4. Daily housekeeping details, monthly details per schedule
 - 5. Apparatus maintenance issues
 - 6. Review of any special incidents, special events and other pertinent information
 - 7. Collection of radio numbers for those personnel without assigned radios
 - 8. Open exchange of information
- D. Each evening, when staffed, the officer of the volunteer duty crew will conduct a similar "line up" with assigned personnel.
- E. By 0800 hours each morning, ensure that the primary response units, i.e. ambulance(s) and engine, have had daily checks completed and have been made ready for response. Any issues with equipment will be immediately reported to the OIC.
